SUBJECT: Hippodrome State Theatre Lighting Improvements

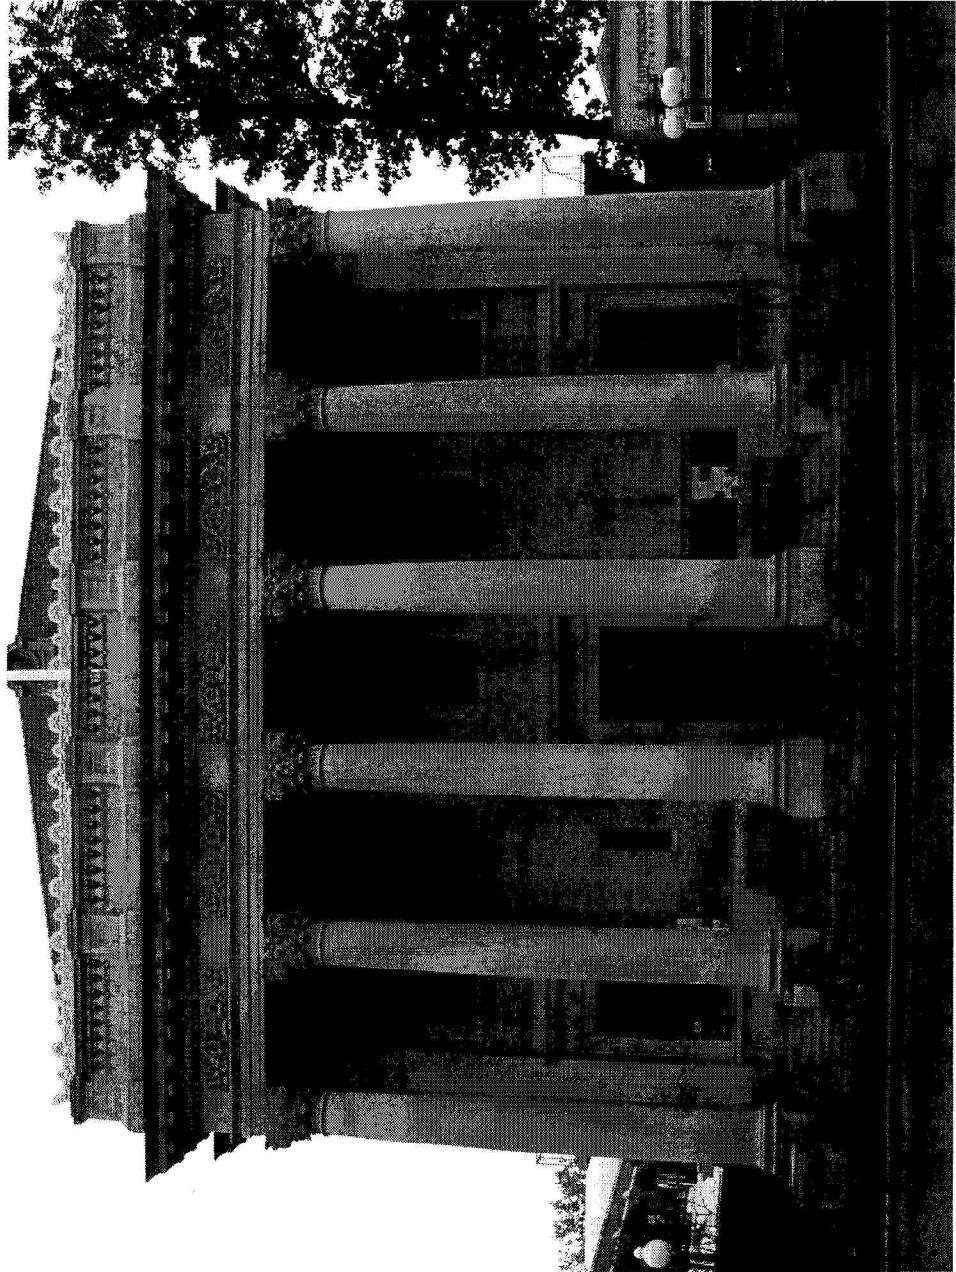

At a recent meeting of the City Commission, Mayor Hanrahan voiced a desire, which received a consensus of all members of the Commission, that the lighting improvements recently funded by the CRA for the Hippodrome State Theatre be coordinated with the Civic Lights Program. It is the Commission's desire that the Hippodrome State Theatre be one of the display sites for the Civic Lights Program, and that the lighting improvements to that facility be permanent.

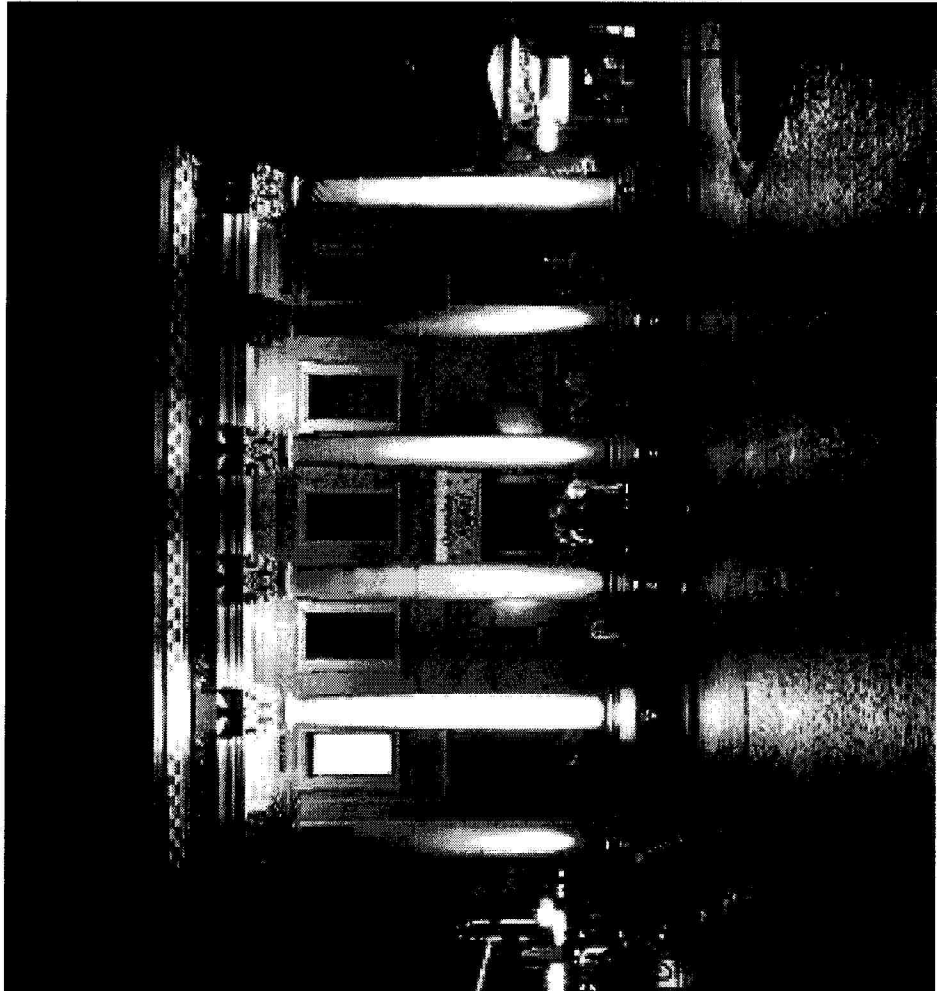

Please coordinate to propose the Hippodrome State Theatre as a site for the Civic Lights Program.
