**TO:** Mayor and City Commissioners **DATE:** May 9, 2002

**FROM:** City Attorney **CITY ATTORNEY**

**SUBJECT:** Clarifying Amendments to City of Gainesville Code of Ordinances, Amending Chapter 27, Article V, Stormwater Management Utility.

Recommendation: The City Commission authorize the City Attorney to draft, and the Clerk of the Commission to advertise an ordinance amending Chapter 27, Article V, Stormwater Management Utility ordinance.

The City is currently in the process of validating stormwater utility bonds. During the course of the proceeding, which is ongoing, issues were raised as to the application of the City's ordinance. The City Attorney is requesting authorization to amend certain sections of the ordinance to more specifically clarify that the City's stormwater utility charges are only made for services provided by the City to the City's stormwater management system.
