Coni Gesualdi  
CAB Liaison

**RE: CAB Membership**

Dear Coni,

It is with great regret that I am going to have to resign from the CAB at this time. My husband and I both have sick elderly parents that we have to help over see.

Unfortunately, we have no other family members that we can share the load with and we both are taking time from work and our time in the evenings and weekends to be the caregivers.

I know I have not been able to fulfill even a year of my 3-year term and I do feel badly about this decision.

Please let the Board members know of my decision and I truly hope you and the Board understands and I wish only the best for the CAB.

Sincerely,
