

Please mark your calendars!

On **Tuesday, June 29, 2010**, from **7:30 am to 12:00 noon**, there will be a public workshop to address public meal issues in Gainesville. The Workshop will be held at the **Alachua County Health Department**, located at 224 SE 24th Street.

The Gainesville City Commission has asked for public input on how to address meal provision to those that are struggling economically and/or are homeless. The public's input is needed to help shape the policy decisions that the City Commission will make in regards to this service. A report will be prepared that reflects the comments generated at this workshop, and will be presented to the City Commission.

Coffee and light refreshments will be served from 7:30am, and the program will begin promptly at 8:00 am.

Please RSVP by **Monday, June 21st** to Kimberly Sweigard, sweigardka@cityofgainesville.org, or call 352-393-8674.

This is an important opportunity to influence city governance around this topic. We hope to have robust public participation!
