Subject: Resignation - Tyler Redden

Hello Board Members and interested parties,

After careful consideration and advisement from individuals I respect, I have made the decision to resign from my position as chair and subsequently my seat on the Board. My life is going in a different direction and my Gainesville residency will no longer be maintained. I have decided to take a long-awaited opportunity to pursue my passion. I have thoroughly enjoyed my tenure as a representative of the student community on the Board. I know my contributions and leadership are self-evident in successfully encouraging the City Commission to change an ordinance, re-igniting the Board, leading the initiative on academic date/leasing date cohesion, initiating the development of Board member orientation, and increasing not only Board exposure, but also increasing quality student community member interest in seeking appointment to the Board. I hope that the tenacity and vigor will continue. I appreciate the opportunity to have worked with each of you and look forward to hearing about the great things this Board will continue to produce going forward.

Best,

Tyler
