Dear Sir or Madam,

I voted in 2008 for Barack Obama because I believed in change. In order for change to happen, you have to first have opportunities. In 2012 I moved to Gainesville from my humble hometown of Sheboygan Falls because of an opportunity and I've called it home ever since.

Now more than ever, I see opportunities for this city to flourish through positive change. I want to be a part of it by learning from the people how to best serve them and lift them up through love and technology.

With this I ask that you please consider me for the 2021 Canvassing Board, I would greatly enjoy the opportunity to speak with you about how to serve the city and its people.

Kind Regards,  
Adam A Rosenthal
