**RE: Petition PZ-09-12**  
**Pace Center Classroom Addition**

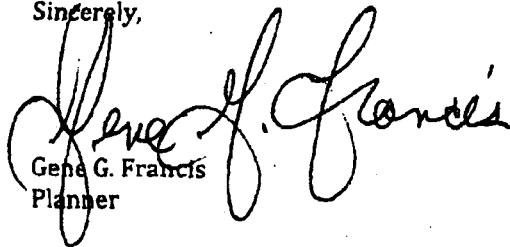

Dear Jay:

I am pleased to inform you that the final development order for the above referenced petition is hereby approved. A copy of the approved development plan is kept at the Building Inspection Department and will be made available to you or your contractor at the time of application for a building permit.

The final development order is valid until **March 12, 2010**, that is a period of one year from the date of this letter. If an application for a building permit is not filed with the Building Inspection Department or the development plan is not implemented on or before the expiration date, the approval becomes null and void. Prior to the expiration date of the final development order, you may request an extension from the Planning and Development Services Department.

If you have any questions, do not hesitate to contact me at (352) 334-5023.

Sincerely,

Gene G. Francis  
Planner
