Subject: Withdrawal from Consideration
RFQ No: GFDX-150023-PJ, Fire Station Number One

Dear Ms. Cozart:

We understand the contractor recommendation for the above referenced project is under consideration by the City of Gainesville. We request our firm be withdrawn from consideration. We do this so we can work with the staff and government officials to strengthen the local vendor preference.

We are strong advocates of keeping our tax payers dollars local and in the community. We hope this consideration period produces a stronger local vendor preference. In addition, we hope the definition of local vendor is revised to reflect companies who truly contribute to this community.

Sincerely,

Matthew Webster GGP, LEED AP BD+C
