[180424.](#)**Purchase from Motorola Solutions, Inc. for Two-Way Radios for Regional Transit System (B)**

Explanation: The City of Gainesville's public safety and public services agencies have utilized a trunked radio system operated by the Communications Division of Gainesville Regional Utilities for day-to-day operability and event based interoperability since 1999. The backbone of this system is comprised of Motorola equipment. All departments requiring two-way radios, both portable and mobile, must utilize Motorola radio equipment to ensure local inter-agency interoperability during emergencies.

For the last several years RTS has been upgrading two-way radios that

are no longer supported by the manufacturer due to age and obsolescence with new P25 compliant radios. After completing two phases of updates there are thirty three (33) two way radios remaining in the bus fleet to be replaced. RTS started buying P25 compliant two-way radios starting in 2015 with all new bus orders. In addition, the radio upgrades were included in the plan of projects for 2016, 2017 and 2018 Section 5307 Federal Grant applications.

RTS obtained pricing for the final phase of project and desires to replace thirty three (33) two-way radios. For compatibility purposes, RTS seeks approval of the City Commission to approve Motorola Solutions Inc. as the specified source for this purchase. This will ensure that the new radios will be compatible and function with the existing equipment and software utilized to manage the trunked radio system.

Fiscal Note: Funds in the amount of \$150,000 have been provided by federal grants and are available in the RTS budget.

RECOMMENDATION The City Commission authorize the purchase with Motorola Solutions, Inc. for thirty three (33) P25 compliant two-way radios for the Regional Transit System, subject to approval by the City Attorney as to form and legality.

ADOPTION OF REGULAR AGENDA

GENERAL PUBLIC COMMENT - For items not on the agenda, limited to 3 minutes per citizen and not to exceed 30 minutes total

BUSINESS DISCUSSION ITEMS - GRU and General Government items placed on the agenda by the Charter Officers or moved from Consent.[180459.](#)**ConnectFree Program Funds for an Affordable Rental Housing Project (B)**

This item requests the City Commission to consider approving the use of ConnectFree Program funding to assist an Affordable Rental Housing Project.

Explanation: On July 21, 2016, the City Commission adopted Resolution #160146 (Resolution) reinstating the ConnectFree Program (Program), which generates revenue from surcharges collected on new water and wastewater connections in the unincorporated part of the GRU service area. The primary purpose of that revenue is to subsidize new extensions and connections throughout the GRU Service Area. Additionally, that resolution identifies several activities that the ConnectFree Program may fund, including, local government contribution to affordable housing development projects leveraged with federal/state Low-Income Housing Tax Credit Programs.

The Low-Income Housing Tax Credit Program (LIHTC) provides for-profit and nonprofit organizations with a dollar-for-dollar reduction in federal tax liability in exchange for: 1) the acquisition and substantial rehabilitation; 2) substantial rehabilitation; or 3) new construction of low and very low-income rental housing units. Housing tax credits can be worth millions of dollars; and receiving this funding can assist cities/counties across the State of Florida to develop rental affordable housing in local communities. The use of tax credits subsidizes the cost of developing housing units, thereby producing decent, safe and affordable housing available to low-income households.

The Florida Housing Finance Corporation (FHFC) is essentially a department of the State of Florida, and administers the Program. The FHFC awards tax credits to affordable housing projects based on a competitive application system. Part of that system awards points to projects that meet certain criteria as established by the FHFC. Those criteria include affordability, sustainability and serving an identified housing need.

On September 6, 2018 the FHFC issued Request For Applications (RFA) 2018-110. In RFA 2018-110, the FHFC identified funding goals for medium sized counties like Alachua County. Those goals include funding a project for elderly residents, funding a project wherein the applicant (developer) is a non-profit organization, funding two projects located in certain mapped areas of the State, and funding two Local Government Area of Opportunity (LGAO) Projects.

LGAO Projects are projects where the applicant has demonstrated “a high level of Local Government interest in the project via an increased amount of Local Government contributions . . .” As outlined in RFA 2018-110, those contributions are generally defined as cash loans or grants. Essentially, the LGAO funding goal incentivizes a local government financial commitment. The minimum amount of local funding commitment ranges from \$297,563.00 to \$560,250.00, depending on the project’s rental housing development type.

If a local government elects to fund a LGAO Project, RFA 2018-110 requires the local government to choose to fund only one project, regardless of the number of applications the local government may receive from applicants. As such, the City Commission can select and fund only one LGAO Project to apply for housing tax credit funding from the FHFC.

The total number of projects funded throughout the State, in medium sized counties, can be impacted by several variables, but is generally six or seven projects each year. For that reason, projects that meet one of the FHFC identified goals, have a much better chance of being funded by the FHFC.

On August 26, 2018, the City published a Notice Of Funding Availability announcing that the City would accept applications for financial assistance for the development and/or rehabilitation of affordable rental housing projects. As a result, the City received applications for a total of five rental housing projects. Each of those projects is a LIHTC Project requesting LGAO Funding.

On both September 11, 2018 and October 9, 2018, the City’s Affordable Housing Advisory Committee (AHAC) met to discuss, evaluate and rank the projects. Based on those meetings the AHAC ranks the proposed projects in the following order:

- 1. Deer Creek Senior Housing*
- 2. Madison Pines*
- 3. Arbor Trail 2*
- 4. Andrew Landing*
- 5. Sydney Trace*

Additionally, the AHAC recommends that the City provide the requested \$463,313.00, LGAO funding to Deer Creek Senior Housing, LLP, in the form of a loan from ConnectFree Funds. AHAC recommends that the terms of the loan be as requested by Deer Creek Senior Housing, LLP. Those terms are a no interest 24-month construction loan, with an automatic conversion to a permanent non-amortizing 15 year loan at 1% interest. The repayment of the funds may be reinvested back to the

ConnectFree Program to assist other eligible projects.

Applications associated with RFA 2018-110 are due to the FHFC in Tallahassee on December 4, 2018.

Fiscal Note: Funds are available in the ConnectFree Program Budget to fund the selected rental housing project.

RECOMMENDATION

The AHAC recommends that the City Commission: 1) Hear a presentation from the AHAC and staff; 2) Approve funding the Deer Creek Senior Housing Affordable Rental Housing Project in the form of a loan in the amount of \$463,313.00 from the ConnectFree Program; the terms of which shall be a no interest 24-month construction loan, with an automatic conversion to a permanent non-amortizing 15 year loan at 1% interest; and 3) Authorize the City Manager or designee to execute any documents necessary to such funding, subject to City Attorney approval as to form and legality.

Landlord Permits (ordinance change to 14.5-1) (B)

This item is a request for the Commission to consider revisions to the City's Code of Ordinances related to Landlord Permits.

Explanation: With the re-write of the Land Development Code the redundancy of ordinances regarding the Landlord permit process were eliminated. Certain aspects of 14.5-1 were unclear as to what zoning designations require a Landlord Permit. In order for the enforcement of the Permit process to be clear and concise these changes to 14.5-1 are recommended.

Also included are minor additions to the list of exemptions referring to relatives. The ordinance allows rental without a permit to grandparents but not grandchildren, and nieces and nephews but not aunts and uncles.

Fiscal Note: There is no fiscal impact in this change. Only clarification.

RECOMMENDATION

Code Enforcement recommends the City Commission direct the City Attorney to draft an ordinance revising Chapter 14.5-1 of the City Code of Ordinances as stated in the back-up to this agenda item.

Text Change - Amending the Land Development Code Related to Sexual Offender Treatment Facilities (B)

Ordinance No. 160769

An ordinance of the City of Gainesville, Florida, amending the Land Development Code (Chapter 30 of the City of Gainesville Code of

Ordinances) by deleting Social Service Facility and Rehabilitation Center as permitted uses and adding Sexual Offender Treatment Facility and Social Service Treatment Facility as permitted uses in certain zoning districts with associated regulations; by amending Section 30-2.1. Definitions; by amending Section 30-4.12. Permitted Uses within transect zoning districts; by amending Section 30-4.16. Permitted Uses in residential zoning districts; by amending Section 30-4.19. Permitted Uses in mixed-use and nonresidential zoning districts; by amending Section 30-4.23. Permitted Uses in special zoning districts; by amending Article V. Use Standards to provide regulations for Sexual Offender Treatment Facilities and Social Service Treatment Facilities; providing directions to the codifier; providing a severability clause; providing a repealing clause; and providing an effective date.

Explanation: **STAFF REPORT**

On May 19, 2016, the City Commission heard from several citizens from the Oakview Neighborhood regarding concerns about counseling services for sexual offenders locating in their neighborhood near childcare centers. The City Commission referred this issue to the General Policy Committee for discussion and on May 26, 2016, the consensus of the General Policy Committee was to amend the Land Development Code to clarify definitions and to make it clear where sexual offender treatment would be allowed. Subsequent to that, the City Commission held a public hearing on July 6, 2017, and approved the petition associated with this text amendment to the Land Development Code and authorized the drafting of this ordinance.

This ordinance will amend the Land Development Code by clarifying definitions, specifically by deleting Social Service Facilities and Rehabilitation Centers as permitted uses and adding Social Service Treatment Facilities and Sexual Offender Treatment Facilities as permitted uses in certain zoning districts with applicable regulations. This ordinance defines Social Service Treatment Facilities as facilities that provide general out-patient professional therapy, counseling, or similar rehabilitative services to individuals or groups related to social disorders, addictions, or similar issues. Sexual Offender Treatment Facilities are defined as facilities that provide any out-patient sexual behavior therapy, counseling, or similar rehabilitative services to individuals or groups that are either registered sexual offenders or registered sexual predators under state law as a result of an offense in which the victim was less than 16 years of age.

These uses are both assigned the same zoning districts and both include a spacing requirement to prevent a concentration of these uses in one area - cannot be located closer than 1,320 feet from similar uses. In addition, this ordinance has an additional spacing requirement for Sexual Offender Treatment Facilities, requiring them to be located no closer than 1,000 feet from any school, day care center, or park.

CITY ATTORNEY MEMORANDUM

This ordinance requires two hearings and shall become effective immediately upon adoption at second reading.

RECOMMENDATION *The City Commission adopt the proposed ordinance.*

An ordinance of the City of Gainesville, Florida, amending the Future Land Use Map of the Comprehensive Plan by overlaying the Planned Use District (PUD) land use category on approximately 118 acres of property generally

located near the 4500 block of SW 62nd Avenue near SW 43rd Terrace, as more specifically described in this ordinance; providing land development regulations; providing directions to the City Manager; providing a severability clause; providing a repealing clause; and providing an effective date.

Explanation: **STAFF REPORT**

This ordinance will amend the Future Land Use Map of the Comprehensive Plan by overlaying the Planned Use District (PUD) land use category on approximately 118 acres of property that is generally located in the 4500 block of SW 62nd Avenue at SW 43rd Terrace. This land use change reflects the existing regulations established while under Alachua County jurisdiction prior to annexations into the city in February 2017 and June 2018.

Together, the properties comprise the entire Finley Woods subdivision and include both developed and undeveloped portions of the master planned community. In accordance with Comprehensive Plan Policy 4.4.1 of the Future Land Use Element, the City must facilitate incorporation of annexed property by establishing City land use designations and implementing zoning subsequent to annexation.

The City Plan Board held a public hearing on June 28, 2018, where it voted to recommend approval of this amendment to the Future Land Use Map of the Comprehensive Plan.

CITY ATTORNEY MEMORANDUM

Section 163.3184, Florida Statutes, sets forth the procedure for amending the Comprehensive Plan. The first hearing is the transmittal stage and must be advertised at least seven days prior to the hearing. The second hearing is the adoption stage and must be advertised at least five days prior to the hearing. Ordinance No. 180120

An ordinance of the City of Gainesville, Florida, amending the Zoning Map Atlas by rezoning approximately 118 acres of property known as Finley Woods generally located near the 4500 block of SW 62nd Avenue near SW 43rd Terrace, as more specifically described in this ordinance, from Alachua County Planned Development (PD) district to City of Gainesville Planned Development (PD) district; providing land development regulations; providing directions to the City Manager; providing a severability clause; providing a repealing clause; and providing an effective date.

Explanation: STAFF REPORT

This ordinance amends the Zoning Map Atlas of the City of Gainesville by rezoning approximately 118 acres of property known as Finley Woods, located in the vicinity of the 4500 block of SW 62nd Avenue near SW 43rd Terrace, from Alachua County Planned Development (PD) district to City of Gainesville Planned Development (PD) district. Together, the properties comprise the entire Finley Woods subdivision and include both developed and undeveloped portions of the master planned community. In accordance with Comprehensive Plan Policy 4.4.1 of the Future Land Use Element, the City shall facilitate incorporation of annexed property by establishing city land use designations and implementing zoning subsequent to annexation.

The City Plan Board held a public hearing on June 28, 2018, where it voted to recommend approval of this rezoning.

CITY ATTORNEY MEMORANDUM

This ordinance requires two hearings and shall become effective when the amendment to the City of Gainesville Comprehensive Plan adopted by Ordinance No. 180111 becomes effective as provided therein.

Ordinance Amending Building Regulations (B)

Ordinance No. 171056

An ordinance of the City of Gainesville, Florida, amending Chapter 6 - Buildings and Building Regulations in the City of Gainesville Code of Ordinances and amending Appendix A - Schedule of Fees, Rates and Charges of the Code of Ordinances relating to Buildings and Building Regulations; providing directions to the codifier; providing a severability clause; providing a repealing clause; and providing an effective date.

Explanation: STAFF REPORT

This ordinance will amend Chapter 6 of the Code of Ordinances regarding building and building regulations. The Florida Building Codes Act, Chapter 553, Part IV, Florida Statutes, establishes a uniform statewide Florida Building Code and gives local governments the power to inspect all buildings, structures, and facilities pursuant to the Florida Building Code. Chapter 6 of the Code of Ordinances includes many outdated provisions that are no longer applicable under uniform state law, and therefore this ordinance will make the city's building regulations consistent with current state law. This ordinance also adopts a section, which is optional for local governments, that provides building standards for tiny houses, consistent with the International Code Conference (ICC) language. Finally, this ordinance revises building permit fees and moves them from Appendix A into Chapter 6 of the Code of Ordinances.

CITY ATTORNEY MEMORANDUM

This ordinance requires two hearings and will become effective immediately upon adoption at second reading.

RECOMMENDATION *The City Commission adopt the proposed ordinance.*
