RE: Regional Transit System Transit Development Plan

Dear Mayor and Commissioners,

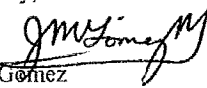

This letter is a request for the nomination of one stakeholder to participate in the Gainesville Regional Transit System (RTS) Transit Development Plan (TDP) stakeholder interview process. The selected stakeholder will be tasked with representing the entire City Commission and providing input regarding Gainesville's current transit service, transit needs, and the future role of transit in the community.

Stakeholder input from key local officials and community leaders is a critical component of the TDP. The stakeholder will participate in a thirty to forty-five minute telephone interview. During the interview, the nominated stakeholder will be asked a series of scripted questions. The stakeholder questions can be provided in advance for review prior to the interview.

In addition to electing one Commissioner to participate in the stakeholder interview process, all Commissioners are welcome to provide written responses to the attached stakeholder interview questions. Please send any written interview responses or comments to Tindale-Oliver & Associates, Inc., Attention: Patricia Tyre, 1595 S. Semoran Boulevard, Suite 1540, Winter Park, Florida 32792 or ptyre@tindaleoliver.com.

If you have any immediate questions or conflicts, please do not hesitate to contact Patricia Tyre at (407) 657-9210 or by email at ptyre@tindaleoliver.com. Also, please send the name and contact information for the nominated stakeholder representative to ptyre@tindaleoliver.com. In the coming week, the stakeholder will be contacted by telephone to schedule a convenient time to conduct the brief telephone interview. Thank you for your assistance.

Sincerely,

Jesus Gomez
RTS Director

Pegeen,

I would be more than happy to serve as the City Commission representative for the TDP update.

Thomas
