Butler Plaza Planned Development Rezoning (B)

Petition PB-09-84 PDV. Kimley-Horn and Associates, Inc., agent for S. Clark Butler Properties, Ltd. (Butler Plaza PD) Rezone property from Alachua County Automotive Oriented Business (BA), Retail Sales, and Services (BR), Highway Oriented Businesses (BH), Manufactured/Mobile Home Park (RM), Manufacturing and Services Industrial (MS), Residential Multi-Family (R-2), Residential Multi-Family (R-3), Residential Single Family (R-1C), Residential and Professional (RP) to City of Gainesville PD (Planned Development District) to allow commercial, office and residential uses. Located between Southwest Archer Road and Southwest 24th Ave., and between Southwest 40th Blvd. and Southwest 34th St. Related to Petition PB-09-74 LUC.

Explanation: This is a request by the petitioner to change the County zoning districts to a City zoning district of PD (Planned Development District). The Planned Development will be regulated by the adopted conditions, a PD Report, PD Layout Map, and other associated maps and graphics. This PD rezoning is associated with a Comprehensive Plan amendment (Petition PB-09-74 LUC) adopted by the City Commission on August 5, 2010. This Planned Development must be consistent with all aspects of that approved amendment.

The proposed Butler Plaza Planned Development totals approximately 264 acres, and is located generally on the north side of Archer Road and to the west of SW 34th Street. The subject property extends all the way north to the newly constructed SW 24th Avenue and in one location reaches all the way to Interstate 75 to the west. The current developed portion (approximately 108 acres) contains over 1 million square feet of commercial retail uses which are contained in several adjacent shopping plazas and multiple out parcels located along Archer Road. This existing development is accessed by a series of public

and private streets that connect from Archer Road northward to Windmeadows Boulevard.

The Planned Development zoning district was established specifically to allow for unique proposals which are not provided for by the standard zoning districts. The minimum requirements within Section 30-213 define the reasons that are needed to justify a rezoning to the planned development district. According to Section 30-216 of the City's Land Development Code, a proposal to rezone to the PD district shall also consider general conformance with the Comprehensive Plan, concurrency requirements, internal and external compatibility, intensity of development, usable open space, environmental constraints, transportation access and the provision for a range of transportation choices.

The City Plan Board reviewed both the proposed PUD land use change and the PD rezoning during three special meetings on September 21, September 29 and October 7, 2009. The Plan Board ultimately recommended approval of the PD with modified conditions.

The City Commission held public hearings on November 30 and December 1, 2009, where discussion was focused on the amendment to the Comprehensive Plan, and deliberation on the planned development was continued to a later time. At that time, the City Commission directed staff to update the proposed PD conditions to reflect the decisions made by the Commission during the hearings on the Butler Plaza land use change.

On August 19, 2010, the City Commission heard this Petition initially and continued the item to October 21, 2010 (a date which was subsequently amended by the City Commission). At the August 19th hearing, the City Commission added revised conditions (in addition to those modifications approved by the Plan Board) and referred various matters to staff for further review.

Since that time, staff has worked on incorporation of the Commission approved revised conditions and referrals into the Petition. In addition, staff interacted with the Petitioner's team and made progress in achieving common ground on several conditions based upon the Commission's August 19th direction.

Public notice was published in the Gainesville Sun on November 27, 2010.

Fiscal Note: None.
