Kurt,

Please see the reply from the Superintendent. Apparently the October dates don't work. I don't know if mornings are an option for Commissioners. Please let me know.

Thanks,

Paul

Dear Paul,

I met with the school board yesterday to discuss the Gainesville City Commission's request for a meeting with the School Board of Alachua County. The board will be glad to meet with the city commission on November 25, 2008 at 9 A.M. in the Kirby-Smith Boardroom. I will provide you with the following information to share with the city commissioners:

- Five-Year School Facilities Plan
- Projected Funding
- Information on Certificates of Participation
- Information on how school districts are funded by the state
- Information on the academic performance of Gainesville eastside schools

The school board is desirous of discussing the following issues with the City of Gainesville:

- Replacement of the current GRU Business Partner Contract with an Interlocal Agreement with the City/GRU/SBAC
- Storm water fees paid to the City of Gainesville
- Section 8 Housing - performance of children
- Recycling - City's assistance to Food Service in converting from Styrofoam to biodegradable products

Please let me know if I can be of assistance to you prior to the joint meeting.

9/10/2008

Sincerely,
Dan

Superintendent Boyd,

I hope the school year is off to a great start. I'm following up on our recent communication regarding a joint meeting of the Gainesville City Commission and School Board of Alachua County. You mentioned that Tuesday afternoons would probably work best for the School Board. Two possible dates for a joint meeting identified by our City Clerk are October 7 and 21 from 3 – 5 p.m.

The City Commission has expressed interest in the following topics:

- Performance and Capacity of Schools attended by City residents
- Capital Program – New Schools vs. Rebuilding/Renovation of Existing Schools
- Dedicated Millage Proposal
- Opportunities for the City to Assist in Improving Local Schools

We can coordinate on the specific agenda once a date is set. I will be out of the office next week so I have copied City Clerk Kurt Lannon on this e-mail. The City Commission will be meeting next week on September 2 and September 4.

Thanks so much for your assistance in scheduling this joint meeting.

Paul

Good Afternoon Kurt,

In reviewing the calendars, it appears we can reschedule the October 13th date to October 30th at 1:00 p.m. However, for the months of November & December, I suggest leaving the meetings as currently scheduled. Because of other meetings and with the Thanksgiving & Christmas holidays, there isn't a day where all Commission members would be available.

Let me know how you wish to proceed.
