

# **Painted Intersections and Crosswalks**

Recreation, Cultural Affairs and Public  
Works Committee

Feb. 12, 2015

- The City Commission referred the Students for New Urbanism (SNU) proposal to uniquely paint pedestrian crosswalks on select City streets.
- The SNU worked with the Public Works Department in fall 2014 to identify a location for SNU to paint a crosswalk with chalk spray paint as a pilot project.

# Discussion

SNU believes a solution to provide crosswalks in locations where there are currently none located would be to allow citizens to submit design ideas and roll out painted artwork into intersections and crosswalks.
