**Subject: Local Agency Program Agreement
NW 53rd Avenue at Main Street - Safety Improvements
Financial Project ID: 211378-1-58-01**

Dear Mr. Swearingen:

Enclosed are four (4) copies of a Local Agency Program Agreement for the subject project. The Agreement details the work that the City of Gainesville will undertake. The additional money requested in the amount of \$110,000.00 has been added to the Agreement. To secure this current year money the Department must commit these funds prior to end of FY 2005/2006.

Please do not date the Agreement on Page 1 as other approvals must be secured prior to establishing the execution date. In addition to executing the attached Agreement, a Resolution/Ordinance must be adopted and a certified copy attached to each copy of the Agreement.

Also, we will need to see the City's boilerplate contract and checklist by April 28, 2006, to ensure all federal requirements are met.

Your assistance in securing execution and returning the executed Agreements to me by **May 8, 2006**, is appreciated. Should you have questions or need additional information, I can be reached at 1-800-749-2967, Extension 7745.

Sincerely,
