I do understand my children would come first. I'll forward this to the clerks office. You are more than welcome to still display and attend the urban forestry workshop.
Thank you for serving on the board.

Warm wishes,
Earline

Earline,

I hope you're having a great Monday! After some consideration, I have realized that I need to reprioritize my time and energy. My children are very young, and I get them part-time....they really need more of my time. I need to step down from the CBB. I apologize. I am still more than happy to participate in the upcoming event towards the end of this year and pass out samples for my green cleaning business if you still would like for me to do that.

Thanks so much for your willingness to allow me to serve on the board.

Warm regards,
Mary

Members,

Lissa updated the minutes see the attachment. I have already printed the first minutes so I will not reprint these minutes. Please print, as necessary. Thank you, Lissa! I'm still waiting on photos from a few members so please let's get this completed.

I will see you soon and many thanks,

Earline Luhrman
