Recommendation

- The City Commission send a letter to the County Commission requesting that they:
 - 1) Reconsider the transit surtax Interlocal Agreement and if not,
 - 2) Renegotiate the distribution formula for the $\frac{3}{4}$ cent road Interlocal Agreement to be a 50% split of the revenue (less the 13.54% to the smaller municipalities) and to eliminate the prohibition on the use of the proceeds on transit and sidewalks.
