Questions Scoring 1 - 10 with 10 the highest

1. Given that a State fee schedule exists, what are the advantages of utilizing a PPO Network?
2. What percent of PPO savings does your company retain?
3. Are there additional costs associated with accessing the PPO network above the percent of savings?
4. With respect to bill review, do you perform this function in house or do you use an outside provider?
5. The City of Gainesville prefers to use their own outside services, such as, Defense Attorneys, Case Managers, Investigators, Pharmacy programs and others. How will you company incorporate these into your services.
