Pursuant to Section 163.3184, Florida Statutes, Council review of local government comprehensive plan amendments is limited to adverse effects on regional resources and facilities identified in the strategic regional policy plan and extrajurisdictional impacts that would be inconsistent with the comprehensive plan of any affected local government within the region. Dear Mr. Mimms and Ms. Lazzari:

Re: Gainesville 12-3ESR

Thank you for the opportunity to review the city's proposed 12-3 ESR plan amendment package, which the Florida Department of Education received on March 22, 2012. According to the department's responsibilities under Section 163.3184(3)(b), Florida Statutes, I reviewed the amendment package considering provisions of Chapter 163, Part II, F.S., and to determine whether the proposal, if adopted, would have potential to create adverse impacts on public school facilities. Because the amendments include proposed policy revisions that do not appear to adversely impact public school facilities capacity or sites, I offer no comment.

Again, thank you for the opportunity to review and comment. If you have questions about this letter, please contact me at (850) 245-9312 or Tracy.Suber@fldoe.org.

Sincerely,

The Honorable Craig Lowe
Mayor, City of Gainesville
Post Office Box 490
Gainesville, Florida 32627-0490

Dear Mayor Lowe:

The State Land Planning Agency has completed its review of the proposed comprehensive plan amendments for the City of Gainesville (Amendment No. 12-3ESR), related to amendments to the Future Land Use and Recreation Elements and an updated Recreation Facilities map to reflect policy changes which were received on March 22, 2012. We have reviewed the proposed amendments pursuant to Sections 163.3184(2) and (3), Florida Statutes (F.S.), and identified no comment related to important state resources and facilities within the Agency's authorized scope of review that will be adversely impacted by the amendments if adopted.

The City is reminded that pursuant to Section 163.3184(3)(b), F.S., other reviewing agencies have the authority to provide comments directly to the City. If other reviewing agencies provide comments, we recommend the City consider appropriate changes to the amendments based on those comments. If unresolved, such comments could form the basis for a challenge to the amendments after adoption.

The City should act by choosing to adopt, adopt with changes, or not adopt the proposed amendments. Also, please note that Section 163.3184(3)(c)1, F.S., provides that if the second public hearing is not held and the amendments adopted within 180 days of your receipt of agency comments, the amendments shall be deemed withdrawn unless extended by agreement with notice to the state land planning agency and any affected party that provided comment on the amendments. For your assistance, we have enclosed the procedures for adoption and transmittal of the comprehensive plan amendments.

If you have any questions concerning this review, please contact Valerie Jenkins at (850) 717-8493, or by email at valerie.jenkins@deo.myflorida.com.

Sincerely,

Anastasia Richmond
