Future Land Use Element

- Policy 1.1.6 The City shall encourage community-serving facilities, such as government offices, farmers markets, and convention centers to be centrally located, instead of in dispersed, remote, peripheral locations. Public, community-serving facilities should be developed primarily in the city's central core, and, as appropriate, in neighborhood centers. Private, community-serving facilities should be discouraged from locating in peripheral locations.
- Policy 3.5.1 The City shall continue to coordinate with governmental entities to ensure that the placement of public facilities promotes compact development and is consistent with the adopted LOS standards.
