

ForEveryoneHome

ForEveryoneHome: What we know

Goal: To assist mid-sized cities—where growth/development threaten to displace communities of color—to foster inclusive growth, long-term affordability, and availability of diverse housing options

- Timeline: April 2019—September 2020
- Team: 4-6 total (½ Staff/Political leaders & ½ Community members representing communities of color at risk of displacement)
- 2:1 match funding opportunity
 - We contribute 75k
 - We receive 225k in program support, travel costs, consulting & policy expertise

Guidance requested

- Budget direction
 - Are we able to set aside 75k in the budget?
 - Do we have any funds available to offer a stipend to community members we are inviting to be on the team?
- Should we seek funding from the Friendship 7 (F7)?
 - If so, ok to work with Mayor Poe to draft request for F7?
- Application requires several letters of support
 - Ok to work with Mayor Poe to develop a letter of support?
