Hi Linda,

Thank you for your understanding. I've really been hoping to turn a corner and make being a member of the committee work, but scheduling childcare at this time has been too difficult and it feels too hit-or-miss to continue. I don't want my absences to interrupt meetings and the ability to meet quorum.

For this reason I am resigning from the Nature Centers Commission effective immediately. I wish you all the best in the work that you do, and greatly value the time that I spent on the committee.

All the best,
Jesse

Jesse,

I understand if you find it difficult to attend NCC meetings due to lack of child care or any other reason. If you do not wish to be on the board anymore, please send me an email stating that you would like to resign. I can then send it along to the Clerk's office.

Thanks, Linda
