DATE: May 21, 2014
TO: Honorable Mayor and Members of the City Commission
FROM: Juanita Miles-Hamilton, AHAC Chairperson 
SUBJECT: FY 2014-2015 Community Grant Program Funding Recommendations

On behalf of the State Housing Initiatives Partnership Program Affordable Housing Advisory Committee (AHAC), I am honored to present our FY 2014-2015 Community Grant Program (CGP) funding recommendations. The AHAC based its recommendations on a thorough review of applications and comments from the applicant agencies and the general public at our May 21, 2014 Special Meeting. Each agency application for funding was reviewed and considered by the AHAC based on the CGP guidelines. We also worked to ensure that all requested programs and services supported one or more of the funding priorities established by the City Commission for homeless or needy individuals and families that reside within the City. Our funding recommendations reflect the AHAC's desire to make the best use of CGP program funds as established by the City Commission.

The AHAC reviewed and evaluated forty (40) agency applications, and recommended funding thirty-eight (38) agencies in the amount of \$110,920 to provide community programs and services. That sum allows each eligible agency to receive their total funding request. Based on CGP guidelines and application criteria, there were two (2) agency applications determined to be ineligible. Attached for your reference is a copy of the AHAC's CGP funding recommendations. This report shows each agency request for funding by service category and our funding recommendations for each agency.

The City Commission, at its June 19, 2014 meeting, will consider AHAC's funding recommendations to determine which agencies will be awarded funding to provide services through the CGP. We respectfully and humbly request the City Commission to consider our funding recommendations for the FY 2014-2015 Community Grant Program.
