Re: Board of Canvassers Opening

Please consider this letter my official notice of interest in becoming a member of the Board of Canvassers for the city of Gainesville, Florida.

I have lived in Gainesville since 1993 with my two daughters. I graduated from Santa Fe College and then the University of Florida with a BA in History. I have worked at my current job since 2004, in the Office of the Registrar at Santa Fe College. My official title is Associate Registrar, and I primarily work with students who might have obstacles in their way of completing their degrees. My position requires 100% accuracy and attention to detail as well as uncompromising discretion. I consider it an honor to work with the students in our community, in an open door atmosphere, and would very much like to participate in the process of our elections in furtherance of procedures that are equitable and transparent.

Please let me know if you have any questions or if I need to submit any letters of reference.

Sincerely,  
Julia Jucker
