Question applies to Public Recreation and Parks Board

Why are you interested in serving on the Public Recreation and Parks Board?

I love being outdoors and believe that having parks and recreational places for individuals and families to enjoy is essential to their mental health. It is easy to overlook these areas and favor more construction of revenue generating spaces, but we cannot sacrifice these areas in the pursuit of money.

Question applies to Wild Spaces Public Places Citizen Oversight Committee

Why are you interested in serving on the Wild Spaces Public Places Citizen Oversight Committee?

Having places for individuals and families to go to enjoy nature and each other's company is something I believe wholeheartedly in. These areas can provide places for youth to go and enjoy with friends with lowers the likelihood of them engaging in criminal activity. Nature has a way of refreshing a person's mindset and is beneficial to mental health.
