Dear Mr. Brown,

I am so sorry, but I do not believe I am eligible to be a part of the Development Review Board. I foolishly applied under the impression that being a UF student would be enough to cover the residency requirement, but after my initial meeting with Mr. Lawrence I realized that I don't think I am eligible as I am an out of state student and still am a resident of Maryland. Furthermore, I am a senior and will be graduating this year and unable to fulfill my 2-3 year duty seeing as I have a job with PricewaterhouseCoopers in Washington DC lined up beginning this May.

Again, I am so sorry for any inconvenience.

Hi Elizabeth,

I need to resign my position on the board. I've not been engaged in its work and am feeling increasingly guilty about it. I've begun volunteering with an organization whereby I work one-on-one on reading with third graders at a local charter school, an endeavor that I find more appropriate for my temperament and interests. I'm sure you will find a replacement who will be more engaged than I have been.

Sincerely, John

Hello,

These emails have ended up in my junk mail. I found it odd that I have not been getting information regarding meetings, etc.

I wanted to inform you on my status as I accepted and offer to work at EDSA, a landscape architecture firm in Fort Lauderdale, as an intern until August 2015. Afterwards I plan on working on Organic farm in England while enrolling for one term at the Unvierstiy of Gloucestershire.

I will be back in Gainesville January 2016.

I apologize for not communicating ths sooner.

Thank you,

Daniel Rodriguez

Daniel,

Are you planning on attending the City Beautification board meetings?

You were elected to serve in September 2014 but I haven't seen you at a meeting yet. We would really enjoy having you to serve on the board but attendance is important so one can express their opinion about our projects. Your contribution is very important to the board; however, if you cannot serve, please let me know as soon as possible.

There is a meeting tonight beginning at 5:30 at the Thomas Center building "A" located 306 NE 6th Avenue in room 204.

I hope to see you tonight!

Thanks,

Earline Luhrman
