[180188.](#) **Adding Conduit Requirement for Developers (NB)**

Motion: Staff to report back with an update at the next meeting. Report on adding conduit requirements for residential and commercial development and looking at renovations, see what other organizations are doing as it relates to either building code or planning (Mr. Persons to review the previous backup).

RECOMMENDATION *Discuss.*

A motion was made by Simmons, seconded by Hayes-Santos, that this Matter be Approved, as shown above. The motion carried by the following vote:

Aye: 4 - Chair Ward, Vice-Chair Arreola, Hayes-Santos, and Simmons

[170192](#) **Expanding Affordable Internet in Gainesville (B)**

Motion: 1) Staff report back with an inventory (Alachua County School Board, City, County, Santa Fe, UF, Library Districts) and to look at broadband parameters. Do they have outside facing public wireless - inside public wireless, is it password or open network access, what is the internet, who is the provider and what speed is being offered; and 2) Identify the locations on a map.

Chief Business Services Officer, Lewis Walton spoke to "Thoughts on Creating a Lifeline Broadband Program".

Member Simmons asked about internet access in government buildings and community centers.

Member Hayes-Santos spoke to outward facing wifi.

Vice-Chair Arreola asked if staff could look into some research (elements to analyze) - what can the Committee expect.

Assistant City Manager Dan Hoffman stated that it is a cost equation.

Mr. Walton stated that GRUCom is in a number of City facilities. If you want outward facing wireless access, it would be a second step for commercial wireless.

Vice-Chair Arreola stated that he would like to consider what would be the public purpose, to include this in other public buildings.

Chair Ward would like to get an an inventory (beginning phase) of City, County, UF and Santa Fe buildings - public buildings within the City of Gainesville. Mr. Hoffman spoke to the matter.

Mr. Hoffman asked to focus on buildings that are meant to be a public facility within the City limits. Staff will come back with a list of places where we currently provide access and where we could potentially provide access.

Vice-Chair Arreola stated that he would like staff to provide a scope and to start with our current capacity and explore potential future capacity.

Pamela Davis spoke to eligibility and verification - there are a number of apartment complexes in the community that go by income. Member Hayes-Santos responded that you can look at the current LEEP Program, have no age discrimination, and talk to other City departments that have thresholds

Mr. Walton spoke to: Federal assistance (all households), apartments, will get with the City's Housing Department, median household income in general. Ms. Davis stated the City HOME or SHIP low-income guidelines will be a good threshold (this will cover everyone)

RECOMMENDATION *Discuss.*

A motion was made by Hayes-Santos, seconded by Simmons, that this Matter be Approved, as shown above. The motion carried by the following vote:
