Hi Mary Lou,

Thank you for the email. Unfortunately, my new job has kept me from both so much to where I'm likely going to need to resign from the Historical Preservation Board as well. I'm very sorry, but I'm afraid that I will not be able to make the commitment necessary, and it's fair to the community or someone else who can serve in my position for me to attempt something that I know deep down will be too much.

Again, my apologies,

Hi Jason, just following up to see if you still wish to remain on the board. Your e-mail last month said you got on two boards and only wanted to be on one. If you have decided to not stay on CBB please let us know so we can proceed to fill the seat. Thank you for your volunteer service no matter what board you choose!

Good afternoon Chair Hildreth,

It has come to my attention that the CBB meetings occur on the same day within half an hour of the Affordable Housing Advisory Committee (AHAC) meetings. I've been a member of the AHAC for over a year and I feel I have a responsibility to prioritize those meetings. I was very much looking forward to joining the CBB, but unfortunately I must submit this resignation. Thank you for the opportunity. I'm sorry this didn't work out!

Thanks,

Jamie Bell

Linda,

I'm so sorry but I need to inform you that I will be resigning my position with the Nature Center Commission effective immediately. Over the last few weeks some significant changes in our personal circumstances will make it so I am unable to attend the meetings.

Thank you for the opportunity and I wish you all the best.

Sincerely,

Amanda "Kate" Vega
