

## DRAFT

1/31/08

(1) No more than 20 meals may be served in a 24-hour period.

(2) The place of religious assembly can physically provide an indoor eating area meeting all state, county and city codes for the proposed use.

(3) No food distribution center for the needy may be closer than 1,320 feet from any other place of religious assembly having a food distribution center for the needy, nor shall any place of religious assembly have an accessory food distribution center for the needy located in the area described in Appendix D located at the end of this chapter, and as shown on the map maintained in the department of community development.

~~(4) Each place of religious assembly shall file with the city manager a management program addressing hours of operation, personnel, management of solid waste, litter and lighting. The name, address, and phone number of the person responsible for the facility shall be kept up to date.~~

(4) Each place of religious assembly shall file with the city manager a management program addressing hours of operation, personnel on site, management of solid waste, litter and lighting. At a minimum, the management program filed with the city manager shall meet the following conditions:

a. Hours of operation shall not begin before 7:30 a.m. and must conclude by 8:30 p.m.;

b. The name, address, and phone number of the person responsible for the facility shall be provided and kept up to date.

c. At least 1 person responsible for the facility must be on site when the facility is open;

d. Solid waste services to fully service the facility must be procured and utilized;

e. Sufficient solid waste receptacles to service the facility must be located on site and utilized; and

f. Outdoor lighting must be provided in accordance with the City Land Development Code.

~~(5) Signage. Food distribution centers for the needy shall be limited to two wall-mounted, nonilluminated signs displaying the name of the facility, hours of operation and other functional information and directions. No more than one sign shall be displayed on any building face. No sign shall exceed 18 square feet, nor shall the total combined area for two signs exceed 30 square feet.~~
