Mr. Erik A Bredfeldt  
City of Gainesville  
Director of Planning and Economic Development  
--via email--

Dear Mr. Bredfeldt:

Please review the attached General Project Overview for R&L Carriers, Inc., concerning a Qualified Target Industry (QTI) application. Per your request, we are submitting a formal explanation explaining the changes to the original application submitted to your office on January 19, 2012. They are as follows:

- The total application job count is now 180 from 300
- The average wage is now \$56,400 from \$60,000
- The per job award is now \$7000 from \$9000
- Total award amount is \$126,000 from \$270,000

These edits were received by the Chamber and CEO the morning of February 1, 2012 and *expressly requested by the client*. Please note that the city's total match expectation will now **decrease from \$270,000 to \$126,000**. We appreciate your willingness to edit the application with such short notice.

We value your continued partnership as we collaborate to secure quality jobs for our citizens.

Sincerely,

J. Brent Christensen  
President & CEO  
Gainesville Area Chamber of Commerce
