### **080771. Sweetwater Branch/Paynes Prairie Sheetflow Restoration Project (B)**

**In order to proceed with the Paynes Prairie Sheetflow Restoration project, there are several agreements that must be approved between the City and various other parties. This item includes a request for the City Commission to approve Memorandums of Understanding (MOU) between (1) GRU and the General Government Stormwater Management Utility (SMU) establishing an agreed upon approach to interdepartmental sharing of the City's project costs; and (2) between the City of Gainesville and the Florida Department of Environmental Protection (FDEP) that establishes responsibilities for implementation of the project. Approval is also requested to proceed with the purchase and subsequent donation of property known as the "Edwards Tract" in exchange for easements needed to facilitate the project.**

**RECOMMENDATION**      *The City Commission: 1) Approve and authorize the General Manager and City Manager to execute an MOU allowing both GRU and SMU to fully participate in the Sweetwater Branch/Paynes Prairie Sheetflow Restoration project*

implementation, operation, and maintenance; and 2) Authorize the General Manager, or his designee, to negotiate and execute an MOU with FDEP that will allow for the implementation of the Sweetwater Branch/Paynes Prairie Sheetflow Restoration project; and 3) Adopt the Resolution (attached) requesting that the Trustees of the Internal Improvement Trust Fund (Trustees) grant the City of Gainesville an easement for the construction, operation, and maintenance of the Paynes Prairie Sheetflow Restoration Project; and 4) Authorize the General Manager, or his designee, to negotiate and execute a Participation Agreement with SJRWMD to jointly purchase approximately 185 acres of the "Edwards Tract" and exchange the property with Trustees for easements over the Sweetwater Branch/Paynes Prairie Sheetflow Restoration project site; and 5) Once the "Edward's Tract" is acquired, authorize the General Manager to declare the property surplus and to donate approximately 185 acres to the Trustees in exchange for all appropriate easements over the Sweetwater Branch/Paynes Prairie Sheetflow Restoration project site, as outlined in the MOU between the City and DEP; and 6) Authorize the General Manager or his designee to enter into negotiations with Alachua County to purchase or obtain easements necessary to facilitate ingress/egress and development of future public access improvements within the Alachua County Forever Bishop Henderson property; and 7) Authorize the General Manager or his designee to sign all documents necessary to affect the land acquisitions, land donations and land exchanges including but not limited to purchase and sale agreements and applications, all subject to approval by the City Attorney as to form and legality.
