**Subject:** Resignation from GCRA Board

Hello Tricia,

I was unable to attend Monday's meeting due to a conflict and I neglected to let you know ahead of time, for which I apologize.

It has become clear to me that my schedule does not allow me to devote the amount of time or attention that I believe the board deserves. For the sake of the board and out of respect for the other members, I have decided to step down and allow my position to be filled by someone else.

I appreciate the opportunity to serve on the board and will be forever grateful for all the work that you, the GCRA staff, my fellow board members, and the various GCRA partners do to improve our city.

Please let me know if this email will suffice as a resignation letter or if there is anything I need to formally submit.

Thank you,  
Lane Abraben
