

Temporary Outdoor Alcoholic Beverage Sales for University of Florida Home Game Day Events, in the University Context Area Permit

Underline and shading are changes since the last meeting. Underlines are the original proposed changes.

- (1) Temporary Outdoor Alcoholic Beverage Sales for University of Florida Home Game Day Events, in the University Context Area Permit . The manager or designee may issue a permit for outdoor alcoholic beverage sales, provided the following conditions and requirements are met:
- a. The business conducting the sale must be an existing business in a permanently fixed location operating with an alcoholic beverage license issued by the State of Florida
 - b. The temporary sale event must be conducted on the site where the business is located and the site of the temporary sale must be owned or leased by the business as part of the normal daily operations of the business. Businesses located in a development consisting of several stores sharing the area to be used by the sales event must have the permission of the owner of the development and the consent of the tenants that share the space.
 - c. The area used for the temporary sales event can not be more than 1.5 times the square footage of the on-site business conducting the sale. Permits for the use of the space will be issued for the period of the day before game and the day of the game.
 - d. All permit applications must include a site plan sketch showing the location, access, barriers delineating the use area from other public areas and all other details of the site. All permit applications must be applied for at least 10 days before the event.
 - e. The permit application shall also include a report detailing how many people are expected to attend, the capacity of any proposed temporary structures, whether there would be outdoor entertainment, a plan for the storage and pickup of garbage during and after the sales event, and a public safety plan detailing how the sponsors will maintain crowd control and public safety, in addition to compliance with the City's Noise Ordinance.
 - f. Applications for a permit under the provisions herein shall be examined by the appropriate departments of the city to ensure protection of the public health, safety and general welfare. In addition to normal concerns of each such department, particular attention shall be given to traffic flow and control, auto and pedestrian safety, and the effect that such use and activity will have on surrounding uses, particularly where the adjoining use is residential. The permit may be approved, approved with conditions or denied by the city manager or designee.
