REVENUE BOND RESOLUTION

WHEREAS, on June 6, 1983, the City of Gainesville, Florida (“the City”) adopted a resolution entitled “Utilities System Revenue Bond Resolution” (such Resolution, as the same heretofore has been amended and supplemented and as it hereafter may be amended and supplemented, being referred to herein sometimes as the “Bond Resolution”) for the purpose of authorizing the issuance of Bonds (as defined in the Bond Resolution) from time to time to provide for the payment of Costs of Acquisition and Construction of the System (as such terms are defined in the Bond Resolution); and

WHEREAS, Section 1102 of the Bond Resolution provides that, except as otherwise provided therein, any modification or amendment of the Bond Resolution and of the rights and obligations of the City and of the holders of the Bonds thereunder, in any particular, may be made by a Supplemental Resolution (as defined in the Bond Resolution), with the written consent given as provided in Section 1103 of the Bond Resolution of the holders of not less than a majority in principal amount of the Bonds Outstanding (as defined in the Bond Resolution) at the time such consent is given; and

WHEREAS, the City desires to amend and restate the Bond Resolution in the manner set forth herein, which amendment and restatement the City hereby determines requires the written consent of the holders of not less than a majority in principal amount of the Bonds Outstanding as provided in said Section 1102 of the Bond Resolution;

NOW THEREFORE, BE IT RESOLVED by the City Commission of the City of Gainesville, Florida that in the event that written consents to the amendment and restatement of the Bond Resolution as provided herein of the holders of not less than a majority in principal amount of the Bonds then Outstanding shall be filed with the Trustee (as defined in the Bond Resolution) in the manner provided in Section 1103 of the Bond Resolution, then on the date on which the conditions set forth in Section 1103 of the Bond Resolution with respect thereto shall be satisfied (the “Effective Date”), the Bond Resolution shall be amended and restated to read in its entirety as set forth herein.

ARTICLE I

DEFINITIONS AND STATUTORY AUTHORITY

SECTION 101. Definitions. The following terms shall, for all purposes of the Resolution, have the following meanings:

Accreted Value shall mean, as of any date of computation with respect to any Capital Appreciation Bond, an amount equal to the principal amount of such Bond as stated on its original issuance date plus the interest accrued on such Bond from the date of original issuance of such Bond to the periodic date specified in the Supplemental Resolution authorizing such Capital Appreciation Bond on which interest on such Bond is to be compounded (hereinafter in this

definition, a “Periodic Compounding Date”) next preceding the date of computation or the date of computation if a Periodic Compounding Date, such interest to accrue at the interest rate per annum of the Capital Appreciation Bonds set forth in the Supplemental Resolution authorizing such Bonds, compounded periodically on each Periodic Compounding Date, plus, if such date of computation shall not be a Periodic Compounding Date, a portion of the difference between the Accreted Value as of the immediately preceding Periodic Compounding Date (or the date of original issuance if the date of computation is prior to the first Periodic Compounding Date succeeding the date of original issuance) and the Accreted Value as of the immediately succeeding Periodic Compounding Date, calculated based upon an assumption that, unless otherwise provided in the Supplemental Resolution authorizing such Capital Appreciation Bonds, Accreted Value accrues in equal daily amounts on the basis of a year of twelve 30-day months.

Accrued Aggregate Debt Service shall mean, as of any date of calculation, an amount equal to the sum of (a) the amounts of accrued Debt Service with respect to all Series of Bonds, calculating the accrued Debt Service with respect to each Series at an amount equal to the sum of (i) interest component of Debt Service on the Bonds of such Series accrued and unpaid and to accrue to the end of the then current calendar month, and (ii) Principal Installments due and unpaid and that portion of the Principal Installments for such Series next due which would have accrued (if deemed to accrue in the manner set forth in the definition of Debt Service) to the end of such calendar month; provided, however, that (i) there shall be excluded from the calculation of Accrued Aggregate Debt Service any Principal Installments which are Refundable Principal Installments, (ii) the principal and interest portions of the Accreted Value of Capital Appreciation Bonds or the Appreciated Value of Deferred Income Bonds shall be included in the calculation of Accrued Aggregate Debt Service at the times and in the manner provided in subsection 1 of Section 208 and (iii) if the calculation of the Debt Service Reserve Requirement for any separate subaccount in the Debt Service Reserve Account in the Debt Service Fund takes into account Accrued Aggregate Debt Service, then, for purposes of such calculation, Accrued Aggregate Debt Service shall be calculated only with respect to the Bonds of the Series secured thereby and (b) the amounts of accrued Debt Service with respect to all Parity Hedging Contract Obligations to the extent such amounts are not taken into account in the calculation of Debt Service on Bonds.

Act shall mean the Charter of the City, being Chapter 90-394, Laws of Florida, 1990, as amended, and other applicable provisions of law which, together with the Resolution, authorizes the City to issue its Bonds.

Additionally Secured Series shall mean a Series of Bonds for which the payment of the principal or sinking fund Redemption Price, if any, of, and interest on, the Bonds of such Series shall be secured, in addition to the pledge created pursuant to subsection 1 of Section 501 hereof in favor of all of the Bonds, by amounts on deposit in a separate subaccount to be designated therefor in the Debt Service Reserve Account in the Debt Service Fund.

Adjusted Aggregate Debt Service for any period shall mean, as of any date of calculation, the Aggregate Debt Service for such period except that (a) if any Refundable Principal Installment for any Series of Bonds is included in Aggregate Debt Service for such period, Adjusted Aggregate Debt Service shall mean Aggregate Debt Service determined (i) in the case of Refundable Principal Installments other than Parity Commercial Paper Notes and Parity Medium-Term Notes, as if each such Refundable Principal Installment had been payable, over a period extending from the due date of such Principal Installment through the later of (x) the 30th anniversary of the issuance of such

Series of Bonds or (y) the 10th anniversary of the due date of such Refundable Principal Installment, in installments which would have required equal annual payments of principal and interest over such period and (ii) in the case of Refundable Principal Installments relating to Parity Commercial Paper Notes or Parity Medium-Term Notes, in accordance with the then current Commercial Paper Payment Plan or Medium-Term Note Payment Plan, as applicable, with respect thereto and (b) the principal and interest portions of the Accreted Value of Capital Appreciation Bonds or the Appreciated Value of Deferred Income Bonds shall be included in the calculation of Adjusted Aggregate Debt Service at the times and in the manner provided in subsection 1 of Section 208 hereof. Interest deemed payable in any Fiscal Year after the actual due date of any Refundable Principal Installment of any Series of Bonds shall be calculated at such rate of interest as the City, or a banking or financial institution selected by the City, determines would be a reasonable estimate of the rate of interest that would be borne on Bonds maturing at the times determined in accordance with the provisions of the preceding sentence.

Aggregate Debt Service for any period shall mean, as of any date of calculation, except as otherwise provided in the definition of Debt Service, the sum of (a) the amounts of Debt Service for such period with respect to all Series of Bonds; provided, however, that, except as otherwise provided herein, (i) for purposes of estimating Aggregate Debt Service for any future period (X) any Variable Rate Bonds Outstanding during such period, the Debt Service on which is not the subject of a Qualified Hedging Contract, shall be assumed to bear interest during such period at the greater of (1) the actual rate of interest then borne by such Variable Rate Bonds or (2) the Certified Interest Rate applicable thereto and (Y) any Option Bonds Outstanding during such period shall be assumed to mature on the stated maturity date thereof, and (ii) the principal and interest portions of the Accreted Value of Capital Appreciation Bonds or the Appreciated Value of Deferred Income Bonds shall be included in the calculation of Aggregate Debt Service at the times and in the manner provided in subsection 1 of Section 208; and provided, further, that if the calculation of the Debt Service Reserve Requirement for any separate subaccount in the Debt Service Reserve Account in the Debt Service Fund takes into account Aggregate Debt Service, then, for purposes of such calculation, Aggregate Debt Service shall be calculated only with respect to the Bonds of the Series secured thereby and (b) the amounts of Debt Service for such period with respect to all Parity Hedging Contract Obligations, to the extent such payments are not taken into account in the calculation of Debt Service on Bonds.

Annual Budget shall mean the annual budget of the System, as amended or supplemented, adopted or in effect for a particular Fiscal Year as provided in Section 708.

Appreciated Value shall mean with respect to any Deferred Income Bond, (i) as of any date of computation prior to the Current Interest Commencement Date therefor, an amount equal to the principal amount of such Bond plus the interest accrued on such Bond from the date of original issuance of such Bond to the periodic date specified in the Supplemental Resolution authorizing such Deferred Income Bond on which interest on such Bond is to be compounded (hereinafter in this definition, a "Periodic Compounding Date") next preceding the date of computation or the date of computation if a Periodic Compounding Date, such interest to accrue at the interest rate per annum of the Deferred Income Bonds set forth in the Supplemental Resolution authorizing such Bonds, compounded periodically on each Periodic Compounding Date, plus, if such date of computation shall not be a Periodic Compounding Date, a portion of the difference between the Appreciated Value as of the immediately preceding Periodic Compounding Date (or the date of original issuance if the date of computation is prior to the first Periodic Compounding

Date succeeding the date of original issuance) and the Appreciated Value as of the immediately succeeding Periodic Compounding Date, calculated based upon an assumption that, unless otherwise provided in the Supplemental Resolution authorizing such Deferred Income Bond, Appreciated Value accrues in equal daily amounts on the basis of a year of twelve 30-day months and (ii) as of any date of computation on and after the Current Interest Commencement Date, the Appreciated Value on the Current Interest Commencement Date.

If the City has, in connection with any Variable Rate Bonds, Parity Commercial Paper Notes or Parity Medium-Term Notes, entered into a Qualified Hedging Contract which provides that, in respect of a notional amount equal to or less than the Outstanding principal amount of the Variable Rate Bonds, Parity Commercial Paper Notes or Parity Medium-Term Notes, the City is to pay to a Qualified Hedging Contract Provider an amount determined based upon a fixed rate of interest and the Qualified Hedging Contract Provider is to pay to the City an amount determined based upon a variable rate of interest equal or comparable to the rate at which such Variable Rate Bonds, Parity Commercial Paper Notes or Parity Medium-Term Notes bear interest, it will be assumed that such Variable Rate Bonds, Parity Commercial Paper Notes or Parity Medium-Term Notes or portion thereof equal to such notional amount bear interest at the fixed rate of interest to be paid by the City under the Qualified Hedging Contract. In calculating Debt Service with respect to Subsidy Bonds, the amount of Subsidy Payments expected to be received with respect to Subsidy Bonds on each respective interest payment date shall be netted against the amount of interest payable on such interest payment date; provided, however, that if for any reason, the City is no longer entitled to, or will not, receive Subsidy Payments on any Outstanding Subsidy Bond (other than as a result of a non-recurring reduction due to an offset of an amount due or alleged to be due from the City to the federal government or any agency, branch or bureau thereof), for purposes of this definition, the interest on such Subsidy Bonds shall be determined without regard to such Subsidy Payment. For purposes of the foregoing calculation, it shall be assumed that Variable Rate Bonds will bear interest during any period at the greater of (i) the actual rate of interest then borne by such Bonds as determined in accordance with the methodology set forth in the definition of Debt Service or (ii) the Certified Interest Rate applicable thereto, or as otherwise provided for in the Supplemental Resolution applicable to such Variable Rate Bonds. Each Bond shall bear upon its face the designation so determined for the Series to which it belongs.

3. separate subaccount in the Debt Service Reserve Account in the Debt Service Fund established for the benefit of such Bonds, subject to the provisions of the Resolution permitting the application thereof for the purposes and on the terms and conditions set forth in the Resolution; and (iii) the Bonds of such Series are valid and binding obligations of the City as provided in the Resolution and entitled to the benefits of the Resolution and of the Act as amended to the date of such Opinion, and such Bonds have been duly and validly authorized and issued in accordance with law, including the Act as amended to the date of such Opinion, and in accordance with the Resolution. Such opinion may take exception for limitations imposed by or resulting from bankruptcy, insolvency, moratorium, reorganization or other laws affecting creditors' rights generally and may state that no opinion is being rendered as to the availability of any particular remedy. No opinion need be expressed as to the priority of the pledge and assignment created by the Resolution over the rights of other persons in the Trust Estate and, if applicable, such separate subaccount in the Debt Service Reserve Account in the Debt Service Fund and such other customarily accepted exceptions and reliance provisions. The opinion may be limited to this Resolution, as amended, and the Supplemental Resolution applicable to the proposed Bonds;

(5) The amount, if any, required by the Supplemental Resolution to be deposited in the Rate Stabilization Fund;

(6) Except in the case of any Series of Refunding Bonds, a certificate of an Authorized Officer of the City stating that either (a) no Event of Default has occurred and is continuing under the Resolution or (b) the application of the proceeds of sale of such

Series of Bonds as required by the Supplemental Resolution will cure any such Event of Default;

(7) All amounts not deposited in other Funds under the Resolution for deposit in the Construction Fund or as otherwise provided under the Supplemental Resolution;

(8) ~~Except in the case of any Series of Refunding Bonds, the City~~There shall have been obtained and filed with the Trustee a certificate ~~of an Authorized Officer stating (i) that the Net Revenues of the System in any twelve consecutive months out of the most recent eighteen months preceding the sale of Bonds, as determined from the financial statements of the System, were not less than one hundred twenty five percent (125%) of the Aggregate Debt Service over such twelve month period in respect of the then Outstanding Bonds;~~signed by an Authorized Officer of the City, pursuant to which he or she shall state and certify the following:

(a) The amount of Revenues, as determined under standard auditing procedures but adjusted as hereinafter provided (the "Adjusted Gross Revenues"), for, at the option of the City, any twelve (12) consecutive months out of the twenty-four (24) consecutive months immediately preceding the date of issue of the proposed additional Bonds or the most recently completed audited Fiscal Year (the "Audit Period") and amount of the Operation and Maintenance Expenses for the Audit Period, as determined under standard auditing procedures but adjusted as hereinafter provided (the "Adjusted Operation and Maintenance Expenses").

(b) In determining the amount of Adjusted Gross Revenues for the Audit Period, such Authorized Officer of the City may take into account the amount by which Revenues would have increased if or as a result of: (i) the number of customers served by the System during the Audit Period had included the number of new customers of the System attributable to a privately-owned or publicly-owned existing electric system, water system, wastewater system, natural gas system, telecommunications system or other utility system to be acquired with the proceeds of such Additional Bonds, had the acquisition occurred at the beginning of the Audit Period, (ii) the number of customers served by the System during the Audit Period had included the average number of new customers of the System that by ordinance, agreement, law or regulation will be required to connect to the System during the first full Fiscal Year following the Fiscal Year in which such proposed additional Bonds are issued, which amount may be based on projections of an Independent Consultant (the "Applicable Bond Year"), or the first full Fiscal Year after completion of such project if the such project will not be completed prior to the commencement of the applicable Fiscal Year, (iii) any changes in the rate schedules for customers and users of the System which the City shall then have in effect, or has enacted by ordinance or resolution on or before the date of such certificate and which the City has covenanted to put into effect during the Applicable Bond Year, had such rate changes been effective on the first day of the Audit Period, and (iv) the amount required to be paid by a public body on an annual basis in connection with a contract with a duration at least equal to the term of the proposed Additional Bonds, pursuant to which contract the City shall agree to furnish water or electric power, or to furnish services for the collection, treatment or disposal of sewage or agreed to furnish other services in connection with any other utility system for such public body, as if such contract had been in effect on the first day of the Audit Period.

If any adjustments permitted by clauses (i), (ii) or (iv) of the preceding sentence shall be made, in determining the amount of the Adjusted Operation and Maintenance Expenses, such Authorized Officer shall take into account the estimated amount by which the Operation and Maintenance Expenses for the Audit Period would have increased had the Project to be financed with the proceeds of such Additional Bonds been in operation from the beginning of the Audit Period, provided, however, it may take into account any adjustments necessary to reflect government ownership of any projects acquired from private owners. In projecting numbers of new customers for the purposes of clauses (ii) (A) and (ii) (B) of this paragraph, there shall be taken into account only dwellings, buildings or other structures in existence on the date of such projections.

(c) The amount of the Maximum Aggregate Debt Service for any Fiscal Year thereafter on account of all Bonds then Outstanding under this Resolution and the additional Bonds proposed to be issued hereunder.

(d) The amount, if any, required to be deposited from Revenues into the Debt Service Reserve Account pursuant to Section 505 hereof or into any subaccount therein in the Applicable Bond Year pursuant to the terms of a supplemental ordinance or resolution.

(e) Based upon the foregoing, the Authorized Officer is of the opinion that the Adjusted Gross Revenues for the Audit Period, less one hundred percent (100%) of the Adjusted Operation and Maintenance Expenses for the Audit Period, shall equal or exceed the sum of one hundred percent (100%) of the amount to be deposited to the Reserve Fund as described in paragraph (d) above and one hundred twenty-five percent (125%) of the Maximum Aggregate Debt Service referred to in paragraph (c) above for the Applicable Bond Year; or

~~(9) Except in the case of any Series of Refunding Bonds, a certificate of an Authorized Officer of the City stating that the Net Revenues for each of the full Fiscal Years in the period specified in the next sentence, as such Net Revenues are estimated by the City in accordance with Section 205 hereof, shall be at least equal to 1.40 times the Adjusted Aggregate Debt Service for each such Fiscal Year, as estimated by the City in accordance with Section 205 hereof. The period to be covered by such certificate shall be the period beginning with the Fiscal Year in which the Series of Bonds is authenticated and delivered and ending with the later of (a) the fifth full Fiscal Year after such date of authentication and delivery or (b) the first full Fiscal Year in which less than 10% of the interest coming due on Bonds estimated by the City to be Outstanding is to be paid from deposits made from Bond proceeds in the Debt Service Account in the Debt Service Fund (including amounts, if any, to be transferred thereto from the Construction Fund); In~~
The City may deliver, in the case of each Series of Bonds, any portion of the proceeds of which is to be deposited in the Debt Service Account in the Debt Service Fund, a certificate of an Authorized Officer of the City setting forth the then estimated application of such proceeds so deposited for the payment of interest on any particular Series of Bonds, whether or not such Series of Bonds is then Outstanding, or then being issued, or to be issued thereafter; and

(10) Such further documents, moneys and securities as are required by the provisions of Section 204 or Article X or any Supplemental Resolution adopted pursuant to Article X.

2. ~~3.~~ All the Bonds of each Series of like maturity shall be identical in all respects, except as to interest rate, denominations, numbers and letters. After the original issuance of Bonds of any Series other than Parity Reimbursement Obligations, Parity Commercial Paper Notes and Parity Medium-Term Notes, no Bonds of such Series shall be issued except in lieu of or in substitution for other Bonds of such Series pursuant to Article III or Section 406 or Section 1106.

SECTION 203. Bonds Other than Refunding Bonds, Parity Commercial Paper Notes, Parity Medium-Term Notes and Parity Reimbursement Obligations. 1. One or more Series of Bonds may be issued at any time for the purpose of paying all or a portion of the Cost of Acquisition and Construction of the System. Bonds of each such Series shall be authenticated and delivered by the Trustee only upon compliance with the terms and conditions set forth in Section 202.

2. Proceeds, including accrued interest, of each Series of Bonds authorized under this Section 203 shall be applied simultaneously with the delivery of such Bonds as shall be provided in the Supplemental Resolution authorizing such Series.

2. Refunding Bonds of each Series shall be authenticated and delivered by the Trustee only upon receipt by the Trustee (with copies of all documents to the Co-Trustee, if any), in addition to the documents required by Section 202, of:

(a) Instructions to the Trustee, satisfactory to it, to give due notice of redemption, if applicable, of all the Bonds to be refunded on a redemption date or dates specified in such instructions;

In addition to, and notwithstanding the foregoing, the City may issue at any time and from time to time Refunding Bonds for the purpose of refunding any Series of Bonds, or any Bonds within a Series, or any portion of a maturity of Bonds within a Series or Sinking Fund Installment, without the necessity of complying with the requirements contained in subsection (8) of Section 202, provided that either (x) the Debt Service with respect to such Refunding Bonds in each Fiscal Year from and after the issuance thereof shall be equal to or less than the Debt Service in each such Fiscal Year with respect to the Bonds being refunded or (y) the Maximum Aggregate Debt Service of the Bonds is not increased as a result of such Refunding Bonds. 2. For the purposes of (i) receiving payment of the Redemption Price if a Capital Appreciation Bond is redeemed prior to maturity, or (ii) receiving payment of a Capital Appreciation Bond if the principal of all Bonds is declared immediately due and payable following an Event of Default, as provided in Section 801 of the Resolution or (iii) computing the principal amount of Bonds held by the Holder of a Capital Appreciation Bond in giving to the City or the Trustee any notice, consent, request, or demand pursuant to the Resolution for any purpose whatsoever, the principal amount of a Capital Appreciation Bond shall be deemed to be its then current Accreted Value.

3. The City may, to the extent from time to time permitted pursuant to law, enter into Qualified Hedging Contracts. The City's obligation to pay any amount under any Qualified Hedging Contract (excluding Hedge Charges) may be secured by a pledge and assignment of the Trust Estate on a parity with the pledge and assignment created by paragraph 1 of Section 501 to secure the Bonds (a "Parity Hedging Contract Obligation"), or may be secured by a pledge and assignment of the Subordinated Indebtedness Fund which pledge and assignment shall be subordinate in all respects to the pledge of the Trust Estate created by the Resolution in favor of the Bonds but on a parity with the pledge and assignment securing Subordinated Indebtedness (a "Subordinated Hedging Contract Obligation"), as determined by the City. Notwithstanding the foregoing, Parity Hedging Contract Obligations shall not include payments of any termination payments owed to a counterparty to a Qualified Hedging Contract ("Hedge Charges"), which payments shall be Subordinated Hedging Contract Obligations. To the extent not otherwise determined in the calculation of Debt Service, in determining the payments required to be made by or to be received by the City on the variable rate component of a Variable Rate Hedging Obligation, to the extent applicable, the City may apply the methodology used in connection with the Certified Interest Rate to determine amounts payable by or to the City under a Qualified Hedging Contract or may use such other reasonable assumptions as by the City, upon advice of its Independent Consultants, may deem appropriate.

SECTION 210. Commercial Paper Notes. 1. Commercial Paper Notes

(b) The Trustee shall have received a certificate of an Authorized Officer of the City setting forth the Commercial Paper Payment Plan with respect to such Commercial Paper Notes. Such certificate shall be amended from time to time by a new certificate of an Authorized Officer of the City to reflect changes, if any, in the expectations of the City with respect to the sources of funds to be utilized to pay principal of and interest on such Commercial Paper Notes; and

(c) If such Commercial Paper Notes shall be Parity Commercial Paper Notes, the Trustee shall have received, prior to the initial issuance of Commercial Paper Notes of a Series, the items referred to in paragraph 1 of Section 202, modified to refer to the Commercial Paper Notes rather than Bonds, and, if applicable, Section 204.

2. The City may appoint a fiscal agent to perform such duties of the Trustee hereunder as the City shall specify in the Supplemental Resolution authorizing such Commercial Paper Notes. Any such fiscal agent shall meet the minimum qualifications applicable to a successor Trustee set forth in Section 909.

3. The proceeds, including accrued interest, if any, of Commercial Paper Notes shall be applied simultaneously with the delivery of such Commercial Paper Notes as provided in the Supplemental Resolution authorizing such Commercial Paper Notes.

SECTION 211. Medium-Term Notes. 1. Medium-Term Notes may be issued from time to time in Series secured by a pledge and assignment of the Trust Estate on a parity with the pledge and lien created by paragraph 1 of Section 501 to secure the Bonds (“Parity Medium-Term Notes”). Medium-Term Notes may also be issued from time to time in series secured by a pledge and assignment of the Subordinated Indebtedness Fund which pledge shall be subordinate in all respects to the pledge of the Trust Estate created by the Resolution in favor of the Bonds but on a parity with the pledge and lien securing Subordinated Indebtedness (“Subordinated Medium-Term Notes”). The Trustee shall authenticate and deliver Medium-Term Notes to the City or upon its order, but only upon satisfaction of the following conditions:

(c) If such Medium-Term Notes shall be Parity Medium-Term Notes, the Trustee shall have received, prior to the initial issuance of Medium-Term Notes of a Series, the items referred to in paragraph 1 of Section 202, modified to refer to the Medium-Term Notes rather than Bonds, and, if applicable, Section 204.

2. The City may appoint a fiscal agent to perform such duties of the Trustee hereunder as the City shall specify in the Supplemental Resolution authorizing such Medium-Term Notes. Any such fiscal agent shall meet the minimum qualifications applicable to a successor Trustee set forth in Section 909.

3. The proceeds, including accrued interest, if any, of Medium-Term Notes shall be applied simultaneously with the delivery of such Medium-Term Notes as provided in the Supplemental Resolution authorizing such Medium-Term Notes.

ARTICLE III

GENERAL TERMS AND PROVISIONS OF BONDS

SECTION 301. Medium of Payment; Form and Date; Letters and Numbers. 1. The Bonds of each Series shall be payable, with respect to interest, principal and Redemption Price, in any coin or currency of the United States of America which at the time of payment is legal tender for the payment of public and private debts.

2. Unless otherwise provided in a Supplemental Resolution, the Bonds of each Series shall be issued in the form of fully registered Bonds without coupons. The Bonds shall be in substantially the form set forth in the Supplemental Resolution authorizing the Series of which such Bonds are a part.

3. Each Bond shall be lettered and numbered as provided in the Supplemental Resolution authorizing the Series of which such Bond is a part and so as to be distinguished from every other Bond.

4. Bonds of each Series shall be dated the date of their authentication, except as may be otherwise provided in the Supplemental Resolution authorizing the Bonds of such Series, and shall bear interest as provided in the Supplemental Resolution authorizing the Bonds of such Series.

SECTION 302. Legends. The Bonds of each Series may contain or have endorsed thereon such provisions, specifications and descriptive words not inconsistent with the provisions of the Resolution as may be necessary or desirable to comply with custom, the rules of any securities exchange or commission or brokerage board, or otherwise, as may be determined by the City prior to the authentication and delivery thereof.

SECTION 303. Execution and Authentication. 1. The Bonds shall be executed in the name of the City by the manual or facsimile signature of its Mayor and the seal of the City (or a facsimile thereof), shall be impressed, imprinted, engraved or otherwise reproduced thereon and attested by the manual or facsimile signature of the Clerk of the Commission of the City; ~~provided however, that the signature of either the Mayor or the Clerk of the Commission shall be manual signatures, or in such other manner as may be required or permitted by law.~~ The Bonds shall be approved as to form and legality by the City Attorney. In case any one or more of the officers who shall have signed or sealed any of the Bonds shall cease to be such officer before the Bonds so signed and sealed shall have been authenticated and delivered by the Trustee, such Bonds may, nevertheless, be authenticated and delivered as herein provided, and may be issued as if the persons who signed or sealed such Bonds had not ceased to hold such offices. Any Bond of a Series may be signed and sealed on behalf of the City by such persons as at the time of the execution of such Bonds shall be duly authorized or hold the proper office in the City, although at the date borne by the Bonds of such Series such persons may not have been so authorized or have held such office.

2. The validation certificate appearing on the Bonds, if any, shall be signed by the facsimile signature of the Mayor and attested with the facsimile signature of the Clerk of the Commission of the City, or in such other manner as may be required or permitted by law, and the

City may adopt and use for that purpose the facsimile signature of any person or persons who shall have been Mayor or Clerk of the Commission of the City at any time on or after the date borne by the Bonds of such Series, notwithstanding that such person may not have been such Mayor or Clerk of the Commission of the City at the date of any such Bond or may have ceased to be such Mayor or Clerk of the Commission of the City at the time when any such Bond shall be authenticated and delivered.

3. The Bonds of each Series shall bear thereon a certificate of authentication, in the form set forth in the Supplemental Resolution authorizing the Bonds of such Series, executed manually by the Trustee. Only such Bonds as shall bear thereon such certificate of authentication shall be entitled to any right or benefit under the Resolution and no Bond shall be valid or obligatory for any purpose until such certificate of authentication shall have been duly executed by the Trustee. Such certificate of the Trustee upon any Bond executed on behalf of the City shall be conclusive evidence that the Bond so authenticated has been duly authenticated and delivered under the Resolution and that the Holder thereof is entitled to the benefits of the Resolution.

SECTION 304. Interchangeability of Bonds. Bonds, upon surrender thereof at the office of the Bond Registrar with a written instrument of transfer satisfactory to the Bond Registrar, duly executed by the registered owner or such owner's duly authorized attorney, may, at the option of the registered owner thereof, and upon payment by such registered owner of any charges which the Bond Registrar may make as provided in Section 306, be exchanged for an equal aggregate principal amount of fully registered Bonds of the same Series, maturity and interest rate of any other authorized denominations.

SECTION 305. Negotiability, Transfer and Registry. 1. Bonds shall be transferable only upon the books of the City, which shall be kept for such purposes at the office of the Bond Registrar, by the registered owner thereof in person or by such owner's attorney duly authorized in writing, upon surrender thereof together with a written instrument of transfer satisfactory to the Bond Registrar duly executed by the registered owner or such owner's duly authorized attorney. Upon the transfer of any such Bond the City shall issue in the name of the transferee a new Bond or Bonds of the same aggregate principal amount and Series, maturity and interest rate as the surrendered Bond.

2. The City and each Fiduciary may deem and treat the person in whose name any Bond shall be registered upon the books of the City as the absolute owner of such Bond, whether such Bond shall be overdue or not, for the purpose of receiving payment of, or on account of, the principal and Redemption Price, if any, of and interest on such Bond and for all other purposes, and all such payments so made to any such registered owner or upon such owner's order shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid, and neither the City nor any Fiduciary shall be affected by any notice to the contrary. The City agrees to indemnify and save the Trustee harmless from and against any and all loss, cost, charge, expense, judgment or liability incurred by it, acting in good faith and without negligence under the Resolution, in so treating such registered owner.

SECTION 306. Regulations With Respect to Exchanges and Transfers. In all cases in which the privilege of exchanging Bonds or transferring Bonds is exercised, the City shall execute and the Trustee shall authenticate and deliver Bonds in accordance with the provisions of the Resolution. All Bonds surrendered in any such exchanges or transfers

shall forthwith be delivered to the Trustee and cancelled or retained by the Trustee. For every such exchange or transfer of Bonds, the City or the Bond Registrar may make a charge sufficient to reimburse it for any tax, fee or other governmental charge imposed in connection with said exchange, transfer or registration by a governmental unit other than the City. Unless otherwise provided in a Supplemental Resolution, neither the City nor the Bond Registrar shall be required (a) to transfer or exchange any Bond of any Series for the period next preceding any interest payment date for the Bonds of such Series beginning with the Regular Record Date for such interest payment date and ending on such interest payment date, or for the period next preceding any date for the proposed payment of Defaulted Interest with respect to such Bond beginning with the Special Record Date for the date of such proposed payment and ending on the date of such proposed payment, (b) to transfer or exchange Bonds of any Series for a period beginning 15 days before the first mailing of any notice of redemption and ending on the day of such mailing, or (c) to transfer, exchange or register any Bonds called for redemption.

SECTION 307. Bonds Mutilated, Destroyed, Stolen or Lost. If any Bond becomes mutilated or is lost, stolen or destroyed, the City shall execute and the Trustee shall authenticate and deliver a new Bond of like Series, date of issue, maturity date, principal amount, interest rate per annum and redemption provisions as the Bond so mutilated, lost, stolen or destroyed, provided that (i) in the case of such mutilated Bond, such Bond is first surrendered to the City, (ii) in the case of any such lost, stolen or destroyed Bond, there is first furnished evidence of such loss, theft or destruction satisfactory to the City together with indemnity satisfactory to the City, (iii) all other reasonable requirements of the City are complied with, and (iv) expenses in connection with such transaction are paid by the Holder. Any such Bond surrendered for exchange shall be cancelled. Any such new Bonds issued pursuant to this Section in substitution for Bonds alleged to be destroyed, stolen or lost shall constitute original additional contractual obligations on the part of the City, whether or not the Bonds so alleged to be destroyed, stolen or lost be at any time enforceable by anyone, and shall be equally secured by and entitled to equal and proportionate benefits with all other Bonds issued under the Resolution in the Trust Estate.

SECTION 308. Payment of Interest on Bonds; Interest Rights Reserved. Interest on any Bond which is payable, and is punctually paid or duly provided for, on any interest payment date shall be paid to the person in whose name that Bond is registered at the close of business on the date (hereinafter the "Regular Record Date") which, unless otherwise provided in the Supplemental Resolution authorizing such Bond, is the 15th day of the calendar month next preceding such interest payment date.

Any interest on any Bond which is payable, but is not punctually paid or duly provided for, on any interest payment date (hereinafter "Defaulted Interest") shall forthwith cease to be payable to the registered owner on the relevant Regular Record Date by virtue of having been such owner; and such Defaulted Interest shall be paid by the City to the persons in whose names the Bonds are registered at the close of business on a date (hereinafter the "Special Record Date") for the payment of such Defaulted Interest, which shall be fixed in the following manner. The City shall notify the Trustee in writing of the amount of Defaulted Interest proposed to be paid on each Bond and the date of the proposed payment, and at the same time the City shall deposit with the Trustee an amount of money equal to the aggregate amount proposed to be paid in respect of such Defaulted Interest or shall make arrangements satisfactory to the Trustee for such deposit prior to the date of the proposed payment, such money when deposited to be held in trust for the benefit of the persons entitled to such Defaulted Interest as in this Section provided. Thereupon the Trustee shall fix a

Special Record Date for the payment of such Defaulted Interest which shall be not more than 15 nor less than 10 days prior to the date of the proposed payment and not less than 10 days after the receipt by the Trustee of the notice of the proposed payment. The Trustee shall promptly notify the City of such Special Record Date and, in the name and at the expense of the City, shall cause notice of the proposed payment of such Defaulted Interest and the Special Record Date therefor to be mailed, first class postage prepaid, to each Bondholder at such Bondholder's address as it appears in the books of the City kept at the office of the Bond Registrar, not less than 10 days prior to such Special Record Date.

Subject to the foregoing provisions of this Section, each Bond delivered under this Resolution upon transfer of or in exchange for or in lieu of any other Bond shall carry the rights to interest accrued and unpaid, and to accrue, which were carried by such other Bond.

SECTION 309. Book Entry Bonds. 1. Anything in the Resolution to the contrary notwithstanding, if and to the extent provided in the Supplemental Resolution authorizing the Bonds of the Series of which such Bond is a part, any Bond may be authorized and issued as a Book Entry Bond.

2. For all purposes of the Resolution, the Holder of a Book Entry Bond shall be the Securities Depository therefor and neither the City nor any Fiduciary shall have any responsibility or obligation to the beneficial owner of such Bond or to any direct or indirect participant in such Securities Depository. Without limiting the generality of the foregoing, neither the City nor any Fiduciary shall have any responsibility or obligation to any such participant or to the beneficial owner of a Book Entry Bond with respect to (i) the accuracy of the records of the Securities Depository or any participant with respect to any beneficial ownership interest in such Bond, (ii) the delivery to any participant of the Securities Depository, the beneficial owner of such Bond or any other person, other than the Securities Depository, of any notice with respect to such Bond, including any notice of the redemption thereof, or (iii) the payment to any participant of the Securities Depository, the beneficial owner of such Bond or any other person, other than the Securities Depository, of any amount with respect to the principal or Redemption Price of, or interest on, such Bond. The City and the Fiduciaries may treat the Securities Depository therefor as, and deem such Securities Depository to be, the absolute owner of a Book Entry Bond for all purposes whatsoever, including, but not limited to, (w) payment of the principal or Redemption Price of, and interest on, such Bond, (x) giving notices of redemption and of other matters with respect to such Bond, (y) registering transfers with respect to such Bond and (z) giving to the City or the Trustee any notice, consent, request or demand pursuant to the Resolution for any purpose whatsoever. The Paying Agents shall pay the principal or Redemption Price of, and interest on, a Book Entry Bond only to or upon the order of the Securities Depository therefor, and all such payments shall be valid and effective to satisfy fully and discharge the City's obligations with respect to such principal or Redemption Price, and interest, to the extent of the sum or sums so paid. Except as otherwise provided in subsection 4 of this Section 309 or in any Supplemental Resolution authorizing a Book Entry Bond, no person other than the Securities Depository shall receive a Bond or other instrument evidencing the City's obligation to make payments of the principal or Redemption Price thereof, and interest thereon.

3. The City, in its sole discretion and without the consent of any other person, may, by notice to the Trustee and a Securities Depository, terminate the services of such Securities Depository with respect to the Book Entry Bonds for which such Securities Depository serves as

securities depository if the City determines that (i) the Securities Depository is unable to discharge its responsibilities with respect to such Bond or (ii) a continuation of the requirement that all of the Bonds issued as Book Entry Bonds be registered in the registration books of the City in the name of the Securities Depository is not in the best interests of the beneficial owners of such Bonds or of the City. Additional or other terms and provisions relating to the termination or resignation of a Securities Depository may be provided in the Supplemental Resolution authorizing a Book Entry Bond.

4. Upon the termination of the services of a Securities Depository with respect to a Book Entry Bond pursuant to clause (ii) of the first sentence of subsection 3 of this Section 309, such Bond no longer shall be restricted to being registered in the registration books kept by the Bond Registrar in the name of a Securities Depository. Upon the termination of the services of a Securities Depository with respect to a Book Entry Bond pursuant to clause (i) of the first sentence of subsection 3 of this Section 309, the City may within 90 days thereafter appoint a substitute securities depository which, in the opinion of the City, is willing and able to undertake the functions of Securities Depository under the Resolution upon reasonable and customary terms. If no such successor can be found within such period, such Book Entry Bond shall no longer be restricted to being registered in the registration books kept by the Bond Registrar in the name of a Securities Depository. In the event that a Book Entry Bond shall no longer be restricted to being registered in the registration books kept by the Bond Registrar in the name of a Securities Depository, (a) the City shall execute and the Trustee shall authenticate and deliver, upon presentation and surrender of the Book Entry Bond, Bond certificates as requested by the Securities Depository so terminated of like Series, principal amount, maturity and interest rate, in authorized denominations, to the identifiable beneficial owners in replacement of such beneficial owners' beneficial ownership interests in such Book Entry Bond and (b) the Trustee shall notify the Bond Registrar and the Paying Agents that such Bond is no longer restricted to being registered in the registration books kept by the Bond Registrar in the name of a Securities Depository.

5. Anything in the Resolution to the contrary notwithstanding, payment of the Redemption Price of a Book Entry Bond, or portion thereof, called for redemption prior to maturity may be paid to the Securities Depository by check or draft mailed to the Securities Depository or by wire transfer. Anything in the Resolution to the contrary notwithstanding, such Redemption Price may be paid without presentation and surrender to the Paying Agent of the Book Entry Bond, or portion thereof, called for redemption; provided, however, that payment of (a) the principal payable at maturity of a Book Entry Bond and (b) the Redemption Price of a Book Entry Bond as to which the entire principal amount thereof has been called for redemption shall be payable only upon presentation and surrender of such Book Entry Bond to the Paying Agent; ~~and provided, further, that no such Redemption Price shall be so payable without presentation and surrender unless such Book Entry Bond shall contain or have endorsed thereon a legend substantially to the following effect (or such other legend(s) of similar content as may be specified in the Supplemental Resolution authorizing the Series of Bonds of which such Book Entry Bond is a part as may be determined to be necessary or desirable by the City or such Securities Depository):~~

~~“AS PROVIDED IN THE RESOLUTION REFERRED TO HEREIN, UNTIL THE TERMINATION OF THE CITY OF BOOK-ENTRY ONLY TRANSFERS THROUGH [NAME OF SECURITIES DEPOSITORY] (TOGETHER WITH ANY SUCCESSOR SECURITIES DEPOSITORY APPOINTED PURSUANT TO THE RESOLUTION,~~

~~“[NAME OF SECURITIES DEPOSITORY]”), AND NOTWITHSTANDING ANY OTHER PROVISION OF THE RESOLUTION TO THE CONTRARY, (A) THIS BOND MAY BE TRANSFERRED, IN WHOLE BUT NOT IN PART, ONLY TO A NOMINEE OF [NAME OF SECURITIES DEPOSITORY], OR BY A NOMINEE OF [NAME OF SECURITIES DEPOSITORY] TO [NAME OF SECURITIES DEPOSITORY OR A NOMINEE OF [NAME OF SECURITIES DEPOSITORY], OR BY [NAME OF SECURITIES DEPOSITORY] OR A NOMINEE OF [NAME OF SECURITIES DEPOSITORY] TO ANY SUCCESSOR SECURITIES DEPOSITORY OR ANY NOMINEE THEREOF AND (B) A PORTION OF THE PRINCIPAL AMOUNT OF THIS BOND MAY BE PAID OR REDEEMED WITHOUT SURRENDER HEREOF TO THE PAYING AGENT. [NAME OF SECURITIES DEPOSITORY] OR A NOMINEE, TRANSFEREE OR ASSIGNEE OF [NAME OF SECURITIES DEPOSITORY] OF THIS BOND MAY NOT RELY UPON THE PRINCIPAL AMOUNT INDICATED HEREON AS THE PRINCIPAL AMOUNT HEREOF OUTSTANDING AND UNPAID. THE PRINCIPAL AMOUNT HEREOF OUTSTANDING AND UNPAID SHALL FOR ALL PURPOSES BE THE AMOUNT DETERMINED IN THE MANNER PROVIDED IN THE RESOLUTION.”~~

Anything in the Resolution to the contrary notwithstanding, upon any such payment to the Securities Depository without presentation and surrender, for all purposes of (i) the Book Entry Bond as to which such payment has been made and (ii) the Resolution, the unpaid principal amount of such Book Entry Bond Outstanding shall be reduced automatically by the principal amount so paid. In such event, the Paying Agent shall notify forthwith the Trustee and the Bond Registrar as to the particular Book Entry Bond as to which such payment has been made, and the principal amount of such Bond so paid, and the Bond Registrar shall note such payment on the registration books of the City maintained by it, but failure to make any such notation shall not affect the automatic reduction of the principal amount of such Book Entry Bond Outstanding as provided in this subsection.

6. For all purposes of the Resolution authorizing or permitting the purchase of Bonds, or portions thereof, by, or for the account of, the City for cancellation, and anything in the Resolution to the contrary notwithstanding, a portion of a Book Entry Bond may be deemed to have been purchased and cancelled without surrender thereof upon delivery to the Bond Registrar of a certificate executed by the City and a participant of the Securities Depository therefor to the effect that a beneficial ownership interest in such Bond, in the principal amount stated therein, has been purchased by, or for the account of, the City through the participant of the Securities Depository executing such certificate; provided, however, that any purchase for cancellation of the entire principal amount of a Book Entry Bond shall be effective for purposes of the Resolution only upon surrender of such Book Entry Bond to the Bond Registrar; and provided, further, that no portion of a Book Entry Bond may be deemed to have been so purchased and cancelled without surrender thereof unless such Book Entry Bond shall contain or have endorsed thereon the legend(s) referred to in subsection 5 of this Section 309. Anything in the Resolution to the contrary notwithstanding, upon delivery of any such certificate to the Bond Registrar, for all purposes of (i) the Book Entry Bond to which such certificate relates and (ii) the Resolution, the unpaid principal

amount of such Book Entry Bond Outstanding shall be reduced automatically by the principal amount so purchased. In such event, the Bond Registrar shall notify forthwith the Trustee as to the particular Book Entry Bond as to which a beneficial ownership interest therein has been so purchased, and the principal amount of such Bond so purchased, and the Bond Registrar shall note such reduction in principal amount of such Book Entry Bond Outstanding on the registration books of the City maintained by it, but failure to make any such notation shall not affect the automatic reduction of the principal amount of such Book Entry Bond Outstanding as provided in this subsection.

7. Anything in the Resolution to the contrary notwithstanding, a Securities Depository may make a notation on a Book Entry Bond (i) redeemed in part or (ii) purchased by, or for the account of, the City in part for cancellation, to reflect, for informational purposes only, the date of such redemption or purchase and the principal amount thereof redeemed or deemed cancelled, but failure to make any such notation shall not affect the automatic reduction of the principal amount of such Book Entry Bond Outstanding as provided in subsection 5 or 6 of this Section 309, as the case may be.

8. Anything in the Resolution to the contrary notwithstanding, in the case of a Book Entry Bond, the City shall be authorized to redeem or purchase (by or for the account of the City), or issue Refunding Bonds to refund, less than all of the entire Outstanding principal amount thereof (in portions thereof of \$5,000 integral multiples thereof, or such other denominations as shall be specified in the Supplemental Resolution authorizing such Book Entry Bond), and in the event of such partial defeasance, redemption, purchase or refunding, the provisions of the Resolution relating to the defeasance, redemption, purchase or refunding of a Bond or Bonds shall be deemed to refer to the redemption, purchase or refunding of a portion of a Bond.

ARTICLE IV

REDEMPTION OF BONDS

SECTION 401. Privilege of Redemption and Redemption Price. Bonds subject to redemption prior to maturity pursuant to their terms or to the terms of the Resolution shall be redeemable, upon notice given as provided in this Article IV, at such times, at such Redemption Prices and upon such terms in addition to or different than the terms contained in this Article IV as may be specified in such Bonds or in the Supplemental Resolution authorizing the Series of which such Bonds are a part.

SECTION 402. Redemption at the Election or Direction of the City. In the case of any redemption of Bonds at the election or direction of the City, the City shall give written notice to the Trustee of its election or direction so to redeem, of the redemption date, of the Series, and of the principal amounts of the Bonds of each maturity of such Series and of the Bonds of each interest rate within a maturity to be redeemed (which Series, maturities, interest rates within a maturity and principal amounts thereof to be redeemed shall be determined by the City in its sole discretion, subject to any limitations with respect thereto contained in the Resolution or any Supplemental Resolution authorizing the Series of which such Bonds are a part). Such notice shall be given at least ~~40~~30 days prior to the redemption date or such shorter period (a) as shall be specified in the Supplemental Resolution authorizing the Series of Bonds to be redeemed or (b) as

shall be acceptable to the Trustee. In the event notice of redemption shall have been given as in Section 405 provided, and unless such notice shall have been revoked or cease to be in effect in accordance with the terms thereof, there shall be paid on or prior to the redemption date to the appropriate Paying Agents an amount which, in addition to other moneys, if any, available therefor held by such Paying Agents, will be sufficient to redeem on the redemption date at the Redemption Price thereof, plus interest accrued and unpaid to the redemption date, all of the Bonds to be redeemed. The City shall promptly notify the Trustee in writing of all such payments by it to a Paying Agent.

SECTION 403. Redemption Otherwise Than at City's Election or Direction. Whenever by the terms of the Resolution the Trustee is required or authorized to redeem Bonds otherwise than at the election or direction of the City, the Trustee shall (i) select the Bonds to be redeemed, (ii) give the notice of redemption and (iii) pay out of moneys available therefor the Redemption Price thereof, plus interest accrued and unpaid to the redemption date, to the appropriate Paying Agents in accordance with the terms of this Article IV and, to the extent applicable, Section 507.

SECTION 404. Selection of Bonds to be Redeemed. ~~Except as~~ otherwise provided by Supplemental Resolution, if fewer than all of the Bonds of like maturity or interest rate within a maturity of any Series shall be called for prior redemption, the particular Bonds or portions of Bonds to be redeemed shall be selected by the Trustee in such manner as the Trustee in its discretion may deem fair and appropriate; provided, however, that for any Bond of a denomination of more than the minimum denomination for such Series, the portion of such Bond to be redeemed shall, unless otherwise specified in the Supplemental Resolution relating to such Series, be in a principal amount equal to such minimum denomination or an integral multiple thereof, and that, in selecting portions of such Bonds for redemption, the Trustee shall treat each such Bond as representing that number of Bonds of such minimum denomination which is obtained by dividing the principal amount of such Bond to be redeemed in part by the amount of such minimum denomination.

SECTION 405. Notice of Redemption. When the Trustee shall receive notice from the City of its election or direction to redeem Bonds pursuant to Section 402, and when redemption of Bonds is authorized or required pursuant to Section 403, the Trustee shall give notice, in the name of the City, of the redemption of such Bonds, which notice shall specify the Series and maturities and interest rates within maturities, if any, of the Bonds to be redeemed, the redemption date and the place or places where amounts due upon such redemption will be payable and, if fewer than all of the Bonds of any like Series and maturity and interest rate within maturities are to be redeemed, the letters and numbers or other distinguishing marks of such Bonds so to be redeemed, and, in the case of Bonds to be redeemed in part only, such notice shall also specify the respective portions of the principal amount thereof to be redeemed and such notice may be conditioned upon the occurrence or non-occurrence of certain events. Such notice shall further state that on such date, unless such notice has been rescinded or has ceased to be in effect in accordance with the terms thereof, there shall become due and payable upon each Bond to be redeemed the Redemption Price thereof, or the Redemption Price of the specified portions of the principal thereof in the case of Bonds to be redeemed in part only, together with interest accrued to the redemption date, and that from and after such date interest thereon shall cease to accrue and be payable. Such notice shall be mailed by first class mail, postage prepaid, or electronically, not less than 30 nor more than 60 days before the redemption date, to the registered owners of any Bonds

or portions of Bonds which are to be redeemed, at their last addresses, if any, appearing upon the registry books. Failure to give notice by mail, or any defect in such notice, shall not affect the validity of the proceedings for the redemption of Bonds. Notwithstanding the foregoing, a Supplemental Resolution authorizing the Bonds of a Series may specify a different method for the giving of a notice of redemption, or a different time by which such notice shall be given.

SECTION 406. Payment of Redeemed Bonds. Notice having been given in the manner provided in Section 405 or in the Supplemental Resolution authorizing the Bonds of a Series, on the redemption date so designated, (a) unless such notice shall have been revoked or shall cease to be in effect in accordance with the terms thereof and (b) if there shall be sufficient moneys available therefor, then the Bonds or portions thereof so called for redemption shall become due and payable on the redemption date at the Redemption Price, plus interest accrued and unpaid to the redemption date, and, if presentation and surrender shall be required hereby, upon presentation and surrender thereof at the office specified in such notice, such Bonds, or portions thereof, shall be paid at the Redemption Price, plus interest accrued and unpaid to the redemption date. If there shall be called for redemption less than all of a Bond, if presentation and surrender thereof are required thereby, the City shall execute and the Trustee shall authenticate and the Paying Agent shall deliver, upon the surrender of such Bond, without charge to the owner thereof, for the unredeemed balance of the principal amount of the Bond so surrendered, Bonds of like Series, maturity, interest rate and redemption provisions in any of the authorized denominations. If, on the redemption date, moneys for the redemption of all the Bonds or portions thereof of any like Series, maturity or interest rate to be redeemed, together with interest to the redemption date, shall be held by the Paying Agents so as to be available therefor on said date and if notice of redemption shall have been given as aforesaid and has not been rescinded or ceased to be in effect, then, from and after the redemption date interest on the Bonds or portions thereof of such Series, maturity and interest rate so called for redemption shall cease to accrue and become payable. If said moneys shall not be so available on the redemption date, such Bonds or portions thereof shall continue to bear interest until paid at the same rate as they would have borne had they not been called for redemption.

SECTION 407. Reserved.

SECTION 408. Cancellation and Destruction of Bonds. Except as may be otherwise provided with respect to Option Bonds in the Supplemental Resolution providing for the issuance thereof, all Bonds paid or redeemed, either at or before maturity, shall be delivered to the Trustee when such payment or redemption is made, and such Bonds, together with all Bonds purchased which have been delivered to the Trustee for application as a credit against Sinking Fund Installments and all Bonds purchased by the Trustee, shall thereupon be promptly cancelled. Bonds so cancelled may at any time be destroyed by the Trustee, who shall execute a certificate of destruction in duplicate by the signature of one of its authorized officers describing the Bonds so destroyed, and one executed certificate shall be filed with the City and the other executed certificate shall be retained by the Trustee.

ARTICLE V

ESTABLISHMENT OF FUNDS AND APPLICATION THEREOF

SECTION 501. The Pledge Effected by the Resolution. 1. The Bonds [and Parity Hedging Contract Obligations](#) shall be direct and special obligations of the City payable solely from and secured as to the payment of the principal and Redemption Price thereof, and interest thereon, in accordance with their terms and the provisions of the Resolution solely by the Trust Estate and the Trust Estate hereby is pledged and assigned to the Trustee for the benefit of the holders of the Bonds [and Parity Hedging Contract Obligations](#), subject to the provisions of the Resolution permitting the application thereof for the purposes and on the terms and conditions set forth in the Resolution.

2. The Trust Estate shall immediately be subject to the lien and charge of this Resolution without any physical delivery thereof or further act, and the lien and charge of this Resolution shall be valid and binding as against all parties having claims of any kind in tort, contract or otherwise, against the City, irrespective of whether such parties have notice thereof.

3. Amounts on deposit in any separate subaccount established in the Debt Service Reserve Account in the Debt Service Fund, including the investments, if any, thereof, are hereby pledged and assigned to the Trustee as additional security for the payment of the principal and Redemption Price thereof, and interest thereon, the Bonds of each Additionally Secured Series secured thereby, subject to the provisions of the Resolution permitting the application thereof for the purposes and on the terms and conditions set forth in the Resolution.

4. The Bonds shall not constitute a general indebtedness or a pledge of the full faith and credit of the City within the meaning of any constitutional or statutory provision or limitation of indebtedness. No Bondholder shall ever have the right, directly or indirectly, to require or compel the exercise of the ad valorem taxing power of the City for the payment of the principal of or interest on the Bonds or the making of any payments hereunder. The Bonds and the obligations evidenced thereby shall not constitute a lien on any property of or in the City, other than the Trust Estate and, in the case of the Bonds of each Additionally Secured Series, the separate subaccount in the Debt Service Reserve Account in the Debt Service Fund established therefor as herein provided.

5. Nothing contained in the Resolution shall be construed to prevent the City from acquiring, constructing or financing through the issuance of its bonds, notes or other evidences of indebtedness any facilities which do not constitute a part of the System for the purposes of the Resolution or from securing such bonds, notes or other evidences of indebtedness, [to the extent permitted by law](#), by a mortgage of the facilities so financed or by a pledge of, or other security interest in, the revenues therefrom or any lease or other agreement with respect thereto or any revenues derived from such lease or other agreement; provided that such bonds, notes or other evidences of indebtedness shall not be payable out of or secured by the Trust Estate and neither the cost of such facilities nor any expenditure in connection therewith or with the financing thereof shall be payable from the Trust Estate.

SECTION 502. Establishment of Funds. 1. The following Funds and Accounts are hereby established:

- (1) Construction Fund, to be held by the City,
- (2) Revenue Fund, to be held by the City,
- (3) Rate Stabilization Fund, to be held by the City,
- (4) Debt Service Fund, to be held by the Trustee, consisting of a Debt Service Account and a Debt Service Reserve Account,
- (5) Subordinated Indebtedness Fund, to be held by the Trustee, and
- (6) Utilities Plant Improvement Fund, to be held by the City.

2. In the event that the City shall so determine, there may be established by Supplemental Resolution one or more other funds that may be required from time to time by Federal, State or local regulations, by contractual obligations, or in order to operate the System in accordance with Prudent Utility Practice, so as to provide, among other things, for costs of decommissioning, retirement or disposal of facilities, for costs of nuclear waste storage and disposal including the cost of disposal of spent fuel, for maintaining financial responsibility for the closure of hazardous waste storage facilities, or for self insurance. Such funds, if any, shall be held in trust by the City for the sole purpose set forth in the Supplemental Resolution establishing such funds. Deposits into such funds shall be made only after all required deposits have been made into the funds established by paragraph 1 of this Section 502 and shall be made in amounts set forth in the Supplemental Resolution. Deposits into any funds established pursuant to this paragraph shall be made only with amounts defined by the Resolution to be available for use by the City for any lawful purpose and shall neither be governed by the provisions of the Resolution nor considered to be a part of the Trust Estate. The City may establish separate accounts in the funds and accounts established in paragraph 1 of this Section pursuant to a Supplemental Resolution adopted in connection with the issuance of Bonds.

3. Any Fund or Accounts held by the City pursuant to this Section 502 (other than funds established pursuant to paragraph 2 of this Section) shall be maintained in an account at the Trustee or, at the option of the City, at one or more Depositories in the manner contemplated by Section 601 hereof.

SECTION 503. Construction Fund. 1. There shall be paid into the Construction Fund the amounts required to be so paid by the provisions of the Resolution and any Supplemental Resolutions, and there may be paid into the Construction Fund, at the option of the City, any moneys received for or in connection with the System by the City from any other source, unless required to be otherwise applied as provided by the Resolution. Amounts in the Construction Fund shall be applied to the Cost of Acquisition and Construction of the System in the manner provided in this Section, as the same may be modified by Supplemental Resolution pertaining to a Series of Bonds.

2. The City shall withdraw amounts from the Construction Fund for the payment of amounts due and owing on account of the Cost of Acquisition and Construction of the System upon determination of an Authorized Officer of the City (or such officer's designee) that an obligation in the amount to be paid from the Construction Fund has been incurred by the City

and that each item thereof is a proper and reasonable charge against the Construction Fund, and that such amount has not been paid theretofore.

3. Notwithstanding any of the other provisions of this Section, to the extent that other moneys are not available therefor, amounts in the Construction Fund shall be applied to the payment of principal of and interest on Bonds from which such moneys were derived.

4. Amounts credited to the Construction Fund which the City at any time determines to be in excess of the amounts required for the purposes thereof shall be transferred to the Debt Service Reserve Account in the Debt Service Fund, if and to the extent necessary to make the amount in any separate subaccount therein equal to the Debt Service Reserve Requirement related thereto (or, if such excess shall be less than the amount necessary to make up deficiencies with respect to all of the separate subaccounts in the Debt Service Reserve Account, then such excess shall be applied ratably, in proportion to the deficiency in each such subaccount), and any balance of such excess shall, at the option of the City, be transferred to the Utilities Plant Improvement Fund for application to any of the purposes thereof; provided, however, such application shall be made only to the extent the uses thereof will not, in the opinion of Bond Counsel, in and of itself, result in interest on any tax-exempt Bonds to be includable in the gross income of the holders thereof for Federal income tax purposes.

5. Nothing in this Section 503 shall be construed to prevent the City from permanently discontinuing the acquisition or construction of any portion of the System the Cost of Acquisition and Construction of which is at the time being paid out of the Construction Fund, if the Commission determines by resolution that such discontinuance is necessary or desirable in the conduct of the business of the City and not disadvantageous to the Holders of the Bonds.

SECTION 504. Revenues and Revenue Fund. As soon as practicable after the receipt of any Revenues and Subsidy Payments, and in any event within ten days of such receipt, the City shall deposit such Revenues in the Revenue Fund. Connection Fees shall only be applied to the extent legally permissible.

SECTION 505. Disposition of Revenues. 1. On or before the last ~~business day~~ Business Day of each calendar month, the Revenues and Subsidy Payments actually received by the City and deposited into the Revenue Fund shall be applied, to the extent available, only in the following manner and in the following order of priority (such application to be made in such a manner so as to assure good funds in such Funds and Accounts on the last ~~business day~~ Business Day of such month):

(1) Each month the City shall pay from the Revenue Fund such sums as are necessary to meet Operation and Maintenance Expenses for such month;

(2) The City shall transfer from the Revenue Fund to the Rate Stabilization Fund the amount, if any, budgeted for deposit into such Fund for the then current month as set forth in the current Annual Budget or the amount otherwise determined by the City to be credited to such Fund for the month;

(3) The City shall next forward to the Trustee, for deposit in the Debt Service Fund (i) for credit to the Debt Service Account, (a) the amount, if any, required so that the

balance in said Account shall equal the Accrued Aggregate Debt Service as of the last day of the then current month, (b) payments received by the City from a Qualified Hedging Contract Provider pursuant to a Parity Hedging Contract Obligation and (c) the amount, if any, required so the City can pay all obligations payable out of the Debt Service Account in the current month; provided that, for the purposes of computing the amount to be deposited in said Account, there shall be excluded from the balance in said Account the amount, if any, set aside in said Account from the proceeds of Bonds (including amounts, if any, transferred thereto from the Construction Fund) for the payment of interest on Bonds less that amount of such proceeds to be applied in accordance with the Resolution to the payment of interest accrued and unpaid and to accrue on Bonds to the last day of the then current calendar month; and (ii) for credit to each separate subaccount in the Debt Service Reserve Account, the amount, if any, required so that the balance in each such subaccount shall equal the Debt Service Reserve Requirement related thereto including any amount required to be credited to any separate subaccount in the Debt Service Reserve Account to satisfy any Reserve Deposits established for any Additionally Secured Series of Bonds as of the last day of the then current month (or, if the amount on deposit in the Revenue Fund shall not be sufficient to make the deposits required to be made pursuant to this clause (ii) with respect to all of the separate subaccounts in the Debt Service Reserve Account, then such amount on deposit in the Revenue Fund shall be applied ratably, in proportion to the amount necessary for deposit into each such subaccount);

(4) The City shall next forward to the Trustee, for deposit from Revenues in the Subordinated Indebtedness Fund, the amount, if any, as shall be required to be deposited therein in the then current month to pay principal or sinking fund installments of and premiums, if any, and interest and other amounts due, on each issue of Subordinated Indebtedness coming due in such month, whether as a result of maturity or prior call for redemption, and to provide reserves therefor, as required by the Supplemental Resolution authorizing such issue of Subordinated Indebtedness; and

(5) The City shall next pay into the Utilities Plant Improvement Fund such amount as it shall deem appropriate provided that for each Fiscal Year deposits into such Fund shall be at least equal to one-half (1/2) of the Net Revenues, during the immediately preceding Fiscal Year, less the sum of (i) Aggregate Debt Service during the immediately preceding Fiscal Year and (ii) interest and principal paid during the immediately preceding Fiscal Year with respect to all Subordinated Indebtedness payable out of Revenues under this Resolution.

2. The balance of any moneys remaining in the Revenue Fund after the above required payments have been made may be used by the City for any lawful purpose; provided, however, that none of the remaining moneys shall be used for any purpose other than those hereinabove specified unless all current payments, including payments to the Utilities Plant Improvement Fund calculated on a pro rata annual basis, and including all deficiencies in prior payments, if any, have been made in full and unless the City shall have complied fully in all material respects with all the covenants and provisions of the Resolution; and provided, further, that so long as there shall be held in the Debt Service Fund an amount sufficient to pay in full all Outstanding Bonds and Parity Hedging Contract Obligations in accordance with their terms (including the maximum amount of principal or applicable sinking fund Redemption Price and interest which could become payable thereon), no transfers shall be required to be made to the Debt Service Fund.

SECTION 506. Rate Stabilization Fund. 1. Each month the City shall transfer from the Rate Stabilization Fund to the Revenue Fund the amount budgeted for transfer into such Fund for the then current month as set forth in the current Annual Budget or the amount otherwise determined by the City to be deposited into such Fund for the month. The City may also from time to time withdraw amounts currently on deposit in the Rate Stabilization Fund and (i) transfer such amounts to any other Fund or Account established under the Resolution, (ii) use such amounts to purchase or redeem Bonds and/or Subordinated Indebtedness; provided, however, that in the case of the purchase of Bonds and/or Subordinated Indebtedness, the Bonds and/or Subordinated Indebtedness shall be purchased at a price not to exceed the Redemption Price which would be applicable if the Bonds and/or Subordinated Indebtedness were redeemed at the time of the intended purchase or as soon thereafter as such Bonds and/or Subordinated Indebtedness shall be subject to redemption, or (iii) use such amounts to otherwise provide for the payment of Bonds and/or Subordinated Indebtedness.

2. At any time and from time to time the City may transfer for deposit in the Rate Stabilization Fund from any source such amounts as the City deems necessary or desirable; such amounts shall be applied for purposes of the Rate Stabilization Fund in accordance with paragraph 1 of this Section 506.

SECTION 507. Debt Service Fund – Debt Service Account. 1. The Trustee shall pay out of the Debt Service Account to the respective Paying Agents (i) on or before each interest payment date for any of the Bonds the amount required for the interest payable on such date; (ii) on or before each Principal Installment due date, the amount required for the Principal Installment payable on such due date; and (iii) on or before any redemption date for the Bonds, the amount required for the payment of interest on the Bonds then to be redeemed. Such amounts shall be applied by the Paying Agents on and after the due dates thereof. The Trustee shall also pay out of the Debt Service Account the accrued interest included in the purchase price of Bonds purchased for retirement and, at the direction of an Authorized Officer of the City, on or before the due date thereof, amounts due in respect of any Parity Hedging Contract Obligation.

2. Amounts accumulated in the Debt Service Account with respect to any Sinking Fund Installment (together with amounts accumulated therein with respect to interest on the Bonds for which such Sinking Fund Installment was established) may and, if so directed by the City, shall be applied by the Trustee, on or prior to the 60th day preceding the due date of such Sinking Fund Installment, to (i) the purchase of Bonds of the Series, maturity and interest rate within each maturity for which such Sinking Fund Installment was established, or (ii) the redemption at the applicable sinking fund Redemption Price of such Bonds, if then redeemable by their terms. After the 60th day but on or prior to the 40th day preceding the due date of such Sinking Fund Installment, any amounts then on deposit in the Debt Service Account (exclusive of amounts, if any, set aside in said Account which were deposited therein from proceeds of Bonds) may, and, if so directed by the City, shall, be applied by the Trustee to the purchase of Bonds of the Series, maturity and interest rate within each maturity for which such Sinking Fund Installment was established in an amount not exceeding that necessary to complete the retirement of the unsatisfied balance of such Sinking Fund Installment. All purchases of any Bonds pursuant to this paragraph 2 shall be made at prices not exceeding the applicable sinking fund Redemption Price of such Bonds plus accrued interest, and such purchases shall be made by the Trustee as directed by the City. The applicable sinking fund Redemption Price (or principal amount of maturing Bonds) of any Bonds so purchased or redeemed shall be deemed to constitute part of the Debt Service

Account until such Sinking Fund Installment date, for the purpose of calculating the amount of such Account. As soon as practicable after the 40th day preceding the due date of any such Sinking Fund Installment, the Trustee shall proceed to call for redemption, by giving notice as provided in Section 405, on such due date Bonds of the Series, maturity and interest rate within each maturity for which such Sinking Fund Installment was established (except in the case of Bonds maturing on a Sinking Fund Installment date) in such amount as shall be necessary to complete the retirement of the unsatisfied balance of such Sinking Fund Installment after making allowance for any Bonds purchased or redeemed pursuant to Section 510 which the City has directed the Trustee to apply as a credit against such Sinking Fund Installment as provided in Section 511. The Trustee shall pay out of the Debt Service Account to the appropriate Paying Agents, on or before such redemption date (or maturity date), the amount required for the redemption of the Bonds so called for redemption (or for the payment of such Bonds then maturing), and such amount shall be applied by such Paying Agents to such redemption (or payment). All expenses in connection with the purchase or redemption of Bonds shall be paid by the City from the Revenue Fund.

3. The amount, if any, deposited in the Debt Service Account from the proceeds of each Series of Bonds shall be set aside in such Fund and applied to the payment of interest on Bonds either, (a) as such interest is scheduled to accrue during such period or (b) in accordance with certificates of the City delivered to the Trustee pursuant to clause (109) of paragraph 1 of Section 202 or, in the event that the City shall modify or amend any such certificate by a subsequent certificate signed by an Authorized Officer of the City and filed with the Trustee, (with a copy to the Co-Trustee, if any), then in accordance with the most recent such certificates or amended certificates.

4. In the event of the refunding or defeasance of any Bonds, the Trustee shall, if the City so directs, withdraw from the Debt Service Account in the Debt Service Fund all, or any portion of, the amounts accumulated therein and deposit such amounts with itself as Trustee or such other Depository to be held for the payment of the principal or Redemption Price, if applicable, and interest on the Bonds being refunded or deposited in accordance with Section 1201 hereof; provided that such withdrawal shall not be made unless (a) immediately thereafter the Bonds being refunded shall be deemed to have been paid pursuant to paragraph 2 of Section 1201, and (b) the amount remaining in the Debt Service Account in the Debt Service Fund, after giving effect to the issuance of the Refunding Bonds and the disposition of the proceeds thereof, shall not be less than the requirement of such Account pursuant to clause (3) of paragraph 1 of Section 505. In the event of such refunding or defeasance, the City may also direct the Trustee to withdraw from the Debt Service Account in the Debt Service Fund all, or any portion of, the amounts accumulated therein and deposit such amounts in any Fund or Account under this Resolution; provided, however, that such withdrawal shall not be made unless items (a) and (b) referred to hereinabove have been satisfied and provided, further, that, at the time of such withdrawal, there shall exist no deficiency in any Fund or Account held under this Resolution.

SECTION 508. Debt Service Fund – Debt Service Reserve Account. 1.

There shall be established in the Debt Service Reserve Account in the Debt Service Fund one or more separate subaccounts, each of which subaccounts shall be for the benefit and security of one or more Series of Bonds, in the manner and to the extent provided in the Supplemental Resolution establishing each such subaccount. If on the last Business Day of any month the amount in the Debt Service Account shall be less than the amount required to be in such Account pursuant to

clause (3) of paragraph 1 of Section 505, the Trustee shall apply amounts from each separate subaccount in the Debt Service Reserve Account to the extent necessary to cure the deficiency.

2. Whenever the moneys on deposit in any subaccount established in the Debt Service Reserve Account shall exceed the Debt Service Reserve Requirement related thereto, after giving effect to any surety bond, insurance policy, letter of credit, or other similar obligation deposited in such Account pursuant to paragraph 4 of this Section 508, such excess shall upon the request of the City, or pursuant to a Supplemental Resolution, be transferred to the City and credited upon the City's receipt thereof to make up any deficiencies in the Subordinated Indebtedness Fund and the Utilities Plant Improvement Fund, in that order. Any balance of such excess shall be credited to the Revenue Fund.

3. Whenever the amount in any subaccount established in the Debt Service Reserve Account, without giving effect to any surety bond, insurance policy, letter of credit or other similar obligation deposited in such Account pursuant to paragraph 4 of this Section 508, together with the amount in the Debt Service Account, is sufficient to pay in full all Outstanding Bonds and Parity Hedging Contract Obligations in accordance with their terms (including the maximum amount of principal or applicable sinking fund Redemption Price and interest which could become payable thereon), the funds on deposit in the Debt Service Reserve Account shall be transferred to the Debt Service Account. Prior to said transfer, all investments held in the Debt Service Reserve Account shall be liquidated to the extent necessary in order to provide for the timely payment of principal and interest (or Redemption Price) on Bonds. Any provision of the Resolution to the contrary notwithstanding, so long as there shall be held in the Debt Service Fund an amount sufficient to pay in full all Outstanding Bonds in accordance with their terms (including the maximum amount of principal or applicable sinking fund Redemption Price and interest which could become payable thereon), no deposits shall be required to be made into the Debt Service Reserve Account.

4. In lieu of the required transfers of moneys to the Debt Service Reserve Account, the City may cause to be deposited into any subaccount established in the Debt Service Reserve Account for the benefit of the holders of the Bonds of each Additionally Secured Series secured thereby an irrevocable surety bond, an insurance policy, a letter of credit or any other similar obligation (each, a "Reserve Policy") in an amount equal to the difference between the Debt Service Reserve Requirement related thereto and the sums of moneys or value of Investment Securities then on deposit in such subaccount, if any. The Reserve Policy shall be payable (upon the giving of notice as required thereunder) on any due date on which moneys will be required to be withdrawn from such subaccount and applied to the payment of a Principal Installment of or interest on any Bonds of each Additionally Secured Series secured thereby and such withdrawal cannot be met by amounts on deposit in such subaccount. The entity providing any Reserve Policy shall meet the qualifications set forth in the Supplemental Resolution establishing such subaccount. If a disbursement is made pursuant to a Reserve Policy provided pursuant to this subsection, the City shall either (i) reinstate the maximum limits of such Reserve Policy or (ii) deposit into the subaccount established in the Debt Service Reserve Account funds in the amount of the disbursement made under such Reserve Policy, or a combination of such alternatives, as shall provide that the amount in such subaccount equals the Debt Service Reserve Requirement related thereto, in each case in the manner and to the extent required by the Supplemental Resolutions applicable thereto. In the event that (X) the rating attributable to any insurer or bank or trust company providing a Reserve Policy held as above provided in any separate subaccount in the Debt

Service Reserve Account, fall below that required by the Supplemental Resolution applicable thereto, or (Y) shall terminate prior to the maturity of the Series of Bond secured thereby, the City shall either (i) replace such Reserve Policy with ~~a the rating attributable to any~~ an insurer or bank or trust company providing a Reserve Policy held as above provided in any separate subaccount in the Debt Service Reserve Account meeting the requirements applicable thereto or (ii) deposit into such separate subaccount in the Debt Service Reserve Account sufficient funds, or a combination of such alternatives, as shall provide that the amount in such separate subaccount in the Debt Service Reserve Account equals the Debt Service Reserve Requirement related thereto, in each case in the manner and to the extent required by the Supplemental Resolution applicable thereto.

5. In the event of the refunding or defeasance of any Bonds of an Additionally Secured Series, the Trustee shall, if the City so directs, withdraw from the separate subaccount in the Debt Service Reserve Account in the Debt Service Fund established for the benefit of the Bonds of such Additionally Secured Series all, or any portion of, the amounts accumulated therein and deposit such amounts with itself as Trustee or such other Depository to be held for the payment of the principal or Redemption Price, if applicable, and interest on the Bonds being refunded; provided that such withdrawal shall not be made unless (a) immediately thereafter the Bonds being refunded shall be deemed to have been paid pursuant to paragraph 2 of Section 1201, and (b) the amount remaining in such separate subaccount in the Debt Service Reserve Account in the Debt Service Fund, after giving effect to any surety bond, insurance policy, letter of credit or other similar obligation deposited in such subaccount pursuant to paragraph 4 of this Section 508, after giving effect to the issuance of the Refunding Bonds and the disposition of the proceeds thereof, shall not be less than the Debt Service Reserve Requirement related thereto. In the event of such refunding or defeasance, the City may also direct the Trustee to withdraw from such separate subaccount in the Debt Service Reserve Account all or any portion of the amounts accumulated therein and deposit such amounts in any Fund or Account under the Resolution; provided that such withdrawal shall not be made unless items (a) and (b) referred to hereinabove have been satisfied; and provided further, that, at the time of such withdrawal, there shall exist no deficiency in any Fund or Account held under the Resolution.

6. If on any valuation date the amount on deposit in the Debt Service Reserve Account or any subaccount therein is less than 100% of the Debt Service Reserve Requirement as a result of a decline in the market value of investments in the Debt Service Reserve Account or any subaccount therein, the City shall deposit in the Debt Service Reserve Account or any such subaccount therein the amount necessary to restore the amount on deposit therein to the Debt Service Reserve Requirement (i) within not more than 90 days following the date of such valuation, or (ii) with respect to a subaccount in the Debt Service Reserve Account created by a Supplemental Resolution, as otherwise provided by such Supplemental Resolution.

SECTION 509. Subordinated Indebtedness Fund. 1. Subject to paragraph 3 hereof, the Trustee shall apply amounts in the Subordinated Indebtedness Fund to the payment of the principal or sinking fund installments of and interest and premium and other amounts due on each issue of Subordinated Indebtedness and reserves therefor in accordance with the provisions of, and subject to the priorities and limitations and restrictions provided in, the Supplemental Resolution authorizing each issue of Subordinated Indebtedness.

2. At any time and from time to time the City may deposit in the Subordinated Indebtedness Fund for the payment of the principal or sinking fund installments of and interest and

premium and other amounts due on each issue of Subordinated Indebtedness amounts received from the proceeds of additional issues of Subordinated Indebtedness or amounts received from any other source.

3. If at any time the amounts in the Debt Service Account or in any separate subaccount in the Debt Service Reserve Account shall be less than the current requirements of such accounts, respectively, pursuant to clause (3) of paragraph 1 of Section 505 and there shall not be on deposit in the Utilities Plant Improvement Fund available moneys sufficient to cure such deficiency, then the Trustee shall withdraw from the Subordinated Indebtedness Fund and deposit in the Debt Service Account or such separate subaccount(s) in the Debt Service Reserve Account, as the case may be, the amount necessary (or all the moneys in said Fund, if less than the amount necessary) to make up such deficiency (or, if the amount in said Fund shall be less than the amount necessary to make up the deficiencies with respect to the Debt Service Account and all of the separate subaccounts in the Debt Service Reserve Account, then the amount in said Fund shall be applied first to make up the deficiency in the Debt Service Account, and any balance remaining shall be applied ratably to make up the deficiencies with respect to the separate subaccounts in the Debt Service Reserve Account, in proportion to the deficiency in each such subaccount).

SECTION 510. Utilities Plant Improvement Fund. 1. Amounts deposited in the Utilities Plant Improvement Fund shall be applied to (i) payments into the Debt Service Account or into any separate subaccount in the Debt Service Reserve Account in the Debt Service Fund; (ii) payments for the cost of extensions, enlargements or additions to, or the replacement of capital assets of the System and emergency repairs thereto; (iii) payments into the Subordinated Indebtedness Fund; (iv) purchasing, redeeming or other costs associated with Bonds and/or Subordinated Indebtedness; provided, however, that in the case of the purchase of Bonds and/or Subordinated Indebtedness, the Bonds and/or Subordinated Indebtedness shall be purchased at a price not to exceed the principal amount and Redemption Price which would be applicable if the Bonds and/or Subordinated Indebtedness were redeemed at the time of the intended purchase or as soon thereafter as such Bonds and/or Subordinated Indebtedness shall be subject to redemption; or (iv) otherwise to provide for the payment of the Bonds and/or Subordinated Indebtedness. If at any time amounts on deposit in the Utilities Plant Improvement Fund are determined by the City to be in excess of the requirements thereof, and other moneys are not available for the payment of Operation and Maintenance Expenses, then such excess may be used for the payment of Operation and Maintenance Expenses.

2. If and to the extent provided in a Supplemental Resolution authorizing Bonds of a Series, amounts from the proceeds of such Bonds may be credited to the Utilities Plant Improvement Fund as specified in the Supplemental Resolution for any purpose of such Fund.

3. No payments shall be made from the Utilities Plant Improvement Fund if and to the extent that the proceeds of insurance or other moneys recoverable as the result of damage, if any, are available and have been received to pay the costs otherwise payable from such Fund.

4. If at any time the amounts in the Debt Service Account or in any separate subaccount in the Debt Service Reserve Account in the Debt Service Fund shall be less than the current requirement of such Accounts, respectively, pursuant to clause (3) of paragraph 1 of Section 505, then the City shall transfer from the credit of the Utilities Plant Improvement Fund to the Trustee for deposit in the Debt Service Account or any separate subaccount in the Debt Service

Reserve Account, as the case may be, the amount necessary (or all the moneys in said Fund if less than the amount necessary) to make up any deficiencies in payments to said Accounts required by clause (3) of paragraph 1 of Section 505; provided, however, if the amount in said Fund shall be less than the amount necessary to make up the deficiencies with respect to the Debt Service Account and all of the separate subaccounts in the Debt Service Reserve Account, then the amount in said Fund shall be applied first to make up the deficiency in the Debt Service Account, and any balance remaining shall be applied ratably to make up the deficiencies with respect to the separate subaccounts in the Debt Service Reserve Account, in proportion to the deficiency in each such subaccount.

5. If at any time the amounts in the Subordinated Indebtedness Fund shall be less than the current requirement of such Fund and the amounts on deposit in the Debt Service Account and in each separate subaccount in the Debt Service Reserve Account in the Debt Service Fund shall equal the current requirement of such Accounts, respectively, pursuant to clause (3) of paragraph 1 of Section 505 and such amounts are not required for payment of Operation and Maintenance Expenses, then the City shall transfer from the credit of the Utilities Plant Improvement Fund to the Trustee for deposit in the Subordinated Indebtedness Fund the amount necessary (or all the moneys in said Fund if less than the amount necessary) to make up such deficiency.

SECTION 511. Credits Against Sinking Fund Installments. If at any time Bonds of any Series or maturity for which Sinking Fund Installments shall have been established are purchased or redeemed other than pursuant to paragraph 2 of Section 507 or deemed to have been paid pursuant to paragraph 2 of Section 1201 and, with respect to such Bonds which have been deemed paid, irrevocable instructions have been given to the Trustee to redeem or purchase the same on or prior to the due date of the Sinking Fund Installment to be credited under this Section 511, the City may from time to time and at any time by written notice to the Trustee specify the portion, if any, of such Bonds so purchased, redeemed or deemed to have been paid and not previously applied as a credit against any Sinking Fund Installment which are to be credited against future Sinking Fund Installments. Such notice shall specify the amounts of such Bonds to be applied as a credit against such Sinking Fund Installment or Installments and the particular Sinking Fund Installment or Installments against which such Bonds are to be applied as a credit; provided, however, that none of such Bonds may be applied as a credit against a Sinking Fund Installment to become due less than 45 days after such notice is delivered to the Trustee. All such Bonds to be applied as a credit shall be surrendered to the Trustee for cancellation on or prior to the due date of the Sinking Fund Installment against which they are being applied as a credit. The portion of any such Sinking Fund Installment remaining after the deduction of any such amounts credited toward the same (or the original amount of any such Sinking Fund Installment if no such amounts shall have been credited toward the same) shall constitute the unsatisfied balance of such Sinking Fund Installment for the purpose of calculation of Sinking Fund Installments due on a future date.

SECTION 512. Subordinated Indebtedness. The City may, at any time, or from time to time, issue Subordinated Indebtedness for any lawful purpose payable out of, and which may be secured by a security interest in and pledge and assignment of such amounts in the Subordinated Indebtedness Fund as may from time to time be available for the purpose of payment thereof as provided in Section 509; provided, however, that any security interest and pledge and

assignment shall be, and shall be expressed to be, subordinate in all respects to the security interest in and pledge and assignment of the Trust Estate created by the Resolution as security for the Bonds.

ARTICLE VI

DEPOSITARIES OF MONEYS, SECURITY FOR DEPOSITS AND INVESTMENT OF FUNDS

SECTION 601. Depositaries. 1. All moneys held by the Trustee and the Co-Trustee under the provisions of the Resolution shall constitute trust funds and the Trustee and Co-Trustee may deposit such moneys with one or more Depositaries in trust for said parties. All moneys held by the City under the Resolution shall, [except as otherwise provided herein](#), constitute trust funds and the City shall deposit such ~~moneys~~[money](#) with one or more Depositaries in trust for the Trustee and the Co-Trustee, if any. All moneys deposited under the provisions of the Resolution with the Trustee, the Co-Trustee or any Depository shall be held in trust and applied only in accordance with the provisions of the Resolution, and each of the Funds and Accounts established by the Resolution shall be a trust fund for the purposes thereof.

2. Each Depository shall be a bank, savings and loan association or trust company organized under the laws of any state of the United States or a national banking association having capital stock, surplus and undivided earnings aggregating at least \$10,000,000 and willing and able to accept the office on reasonable and customary terms and authorized by law to act in accordance with the provisions of the Resolution.

3. Moneys and securities credited to any Fund or Account under the Resolution held by the City may be commingled with moneys and securities credited to other Funds or Accounts under the Resolution held by the City for purposes of establishing checking or other bank accounts, for purposes of investing funds or otherwise; provided, however, the City shall at all times maintain or cause to be maintained accurate books and records reflecting the amounts credited to each Fund and Account under the Resolution held by the City. All withdrawals from any commingled moneys shall be charged against the proper Fund or Account under the Resolution and no moneys shall be withdrawn from commingled moneys if there is not on credit to the Fund or Account under the Resolution to be charged sufficient funds to cover such withdrawal.

SECTION 602. Deposits. 1. All Revenues and other moneys held by any Depository under the Resolution may be placed on demand or time deposit, if and as directed by the City, provided that such deposits shall permit the moneys so held to be available for use at the time when needed. All such moneys deposited with a Fiduciary, acting as a Depository, may be made in the commercial banking department of any Fiduciary which may honor checks and drafts on such deposit with the same force and effect as if it were not such Fiduciary. All moneys held by any Fiduciary, as such, may be deposited by such Fiduciary in its banking department on demand or, if and to the extent directed by the City and acceptable to such Fiduciary, on time deposit, provided that such moneys on deposit be available for use at the time when needed. Such Fiduciary shall allow and credit on such moneys such interest, if any, as it customarily allows upon similar funds of similar size and under similar condition or as required by law.

2. All moneys held under the Resolution by the Trustee, Co-Trustee or any Depository shall not at any time exceed 10% of the combined capital, surplus and undivided

earnings of the Trustee, Co-Trustee or such Depository, as the case may be, unless such moneys are (x) either (1) fully insured by the Federal Deposit Insurance Corporation or the Federal Savings and Loan Insurance Corporation, or (2) secured, to the extent not insured by the Federal Deposit Insurance Corporation or the Federal Savings and Loan Insurance Corporation, by lodging with the Trustee, or Co-Trustee, as custodian, as collateral security, Investment Securities having a market value (exclusive of accrued interest) not less than the amount of such moneys (or portion thereof not insured by the Federal Deposit Insurance Corporation), and held in such other manner as may then be required by applicable Federal or State of Florida laws and regulations and applicable state laws and regulations of the state in which the Trustee, Co-Trustee or such Depository (as the case may be) is located, regarding security for, or granting a preference in the case of, the deposit of trust funds; provided, however, that, to the extent permitted by law, it shall not be necessary for the Fiduciaries to give security under this paragraph 2 for the deposit of any moneys with them held in trust and set aside by them for the payment of the principal or Redemption Price of or interest on any Bonds, or for the Trustee, Co-Trustee or any Depository to give security for any moneys which shall be represented by obligations or certificates of deposit purchased as an investment of such moneys, or (y) collateralized to the extent required by Depositories under Florida law with respect to deposits of the City.

3. All moneys deposited with the Trustee, Co-Trustee and each Depository shall be credited to the particular Fund or Account to which such moneys belong.

4. Whenever moneys are required to be transferred from one Fund or Account created under the Resolution to another Fund or Account, such transfer may be made by the transfer of cash or the transfer of Investment Securities in an amount sufficient to satisfy the purpose for which such transfer is required.

SECTION 603. Investment of Certain Funds. Moneys held in the Debt Service Account in the Debt Service Fund and in the Debt Service Reserve Account in the Debt Service Fund shall be invested and reinvested to the fullest extent practicable in Investment Securities as shall be directed by the City which mature not later than at such times as shall be necessary to provide moneys when needed for payments to be made from such Accounts. Subject to the terms of any resolutions, indentures, or other instruments securing any issue of Subordinated Indebtedness, moneys in the Subordinated Indebtedness Fund shall be invested and reinvested to the fullest extent practicable in Investment Securities which mature not later than such times as shall be necessary to provide moneys when needed for payments to be made from said Fund. Moneys held in the Revenue Fund and the Construction Fund may be invested and reinvested in Investment Securities which mature not later than such times as shall be necessary to provide moneys when needed for payments to be made from such Funds. Moneys in the Rate Stabilization Fund and the Utilities Plant Improvement Fund may be invested in Investment Securities which ~~mature within five years from the date of such investment, and in any case the Investment Securities in such Funds or in the Accounts therein shall~~ mature not later than such times as shall be necessary to provide moneys when needed to provide payments from such Funds or Accounts. The Trustee or the Co-Trustee, as the case may be, shall make all such investments of moneys held by it in accordance with written instructions received from any Authorized Officer of the City. In making any investment in any Investment Securities with moneys in any Fund or Account established under the Resolution, the City may, and may instruct the Trustee and the Co-Trustee to, combine such moneys with moneys in any other Fund or Account, but solely for purposes of making such investment in such Investment Securities.

Interest (net of that which represents a return of accrued interest paid in connection with the purchase of any investment) earned on any moneys or investments in such Funds and Accounts, other than the Construction Fund, to the extent the balance in such fund or account exceeds the minimum amount required to be on deposit therein, shall be paid into the Revenue Fund; provided, however, that if the City so directs, such income earned on moneys or investments in any Fund or Account, or any portion thereof, shall be paid into the Construction Fund. In computing the amount in any Fund created under the provisions of the Resolution for any purpose provided in the Resolution, obligations purchased as an investment of moneys therein shall be valued at ~~the amortized cost thereof~~ their fair market value as of the date of determination. The accrued interest paid in connection with the purchase of any obligation shall be included in the value thereof until interest on such obligation is paid. Such computation shall be made as of September 30 in each year and at such other times as the City shall determine. In the event that the City causes to be deposited in any separate subaccount in the Debt Service Reserve Account for the benefit of the holders of Bonds of any Additionally Secured Series, pursuant to the provisions of paragraph 4 of Section 508, an irrevocable surety bond, an insurance policy, a letter of credit or any other similar obligation, such surety bond, insurance policy, letter of credit or other obligation shall be valued at the lesser of the face amount thereof or the maximum amount available thereunder.

SECTION 710. Rates, Fees and Charges. 1. The City shall at all times establish and collect rates, fees and charges for the use or the sale of the output, capacity or service of the System which, together with other available Revenues, are reasonably expected to yield Net Revenues which shall be equal to at least 1.25 times the Aggregate Debt Service for the forthcoming 12-month period and, in any event, as shall be required, together with other available funds, to pay or discharge all other indebtedness, charges and liens whatsoever payable out of Revenues under the Resolution; provided, however, that any Principal Installment which is a Refundable Principal Installment may be excluded from Aggregate Debt Service for purposes of the foregoing but only to the extent that the City intends to pay such Principal Installment from sources other than Revenues. If and to whatever extent the City receives the services and facilities of the System, it shall pay for such services and facilities according to the City's established rate schedule, and the amounts so paid shall be included in the amount of Revenues.

3. 2. In the event of any loss or damage to the System covered by insurance, the City will, at its option, (i) with respect to each such loss, promptly repair, reconstruct or replace the parts of the System affected by such loss or damage to the extent necessary to the proper conduct of the operation of the business of the System, shall cause the proceeds of such insurance to be applied for that purpose to the extent required therefor, ~~and pending such application~~ or (ii) purchase or redeem Bonds, or (iii) deposit into the Revenue Fund, if the failure to repair, reconstruct, or replace such property facilities will not impair the ability of the City to comply during the current or any future Fiscal Year with the provisions of Section 710, and upon receipt of an opinion of Bond Counsel to the effect that such deposit will not, in and of itself, cause interest on any tax-exempt Bonds issued hereunder to become includable in the gross income of the holders thereof for federal income tax purposes. Pending such application the City shall hold the proceeds of any insurance policy covering such damage or loss in trust to be applied for that purpose to the extent required therefor. Any excess insurance proceeds received by the City shall be transferred to the Revenue Fund and applied for such purposes that in the opinion of Bond Counsel will not, in and of itself, cause interest on any tax-exempt Bonds issued hereunder to become includable in the gross income of the holders thereof for federal income tax purposes. Proceeds received from such insurance proceeds and condemnation awards shall not be deemed Revenues.

SECTION 713. Accounts and Reports. 1. The City shall keep or cause to be kept proper books of record and account (separate from all other records and accounts) in

Within 30 days of receipt of any such certificate, the City shall be entitled to present to the Consulting Engineer, for its consideration, alternative recommendations for the purpose of achieving such level of debt service coverage. The City covenants and agrees to effect the changes, revisions or both, which the Consulting Engineer determines, after consideration of the recommendations of the City, would, in the aggregate, have produced such level of debt service coverage. The Consulting Engineer shall promptly file a certificate setting forth such determination with the City, the Trustee and the Co-Trustee, if any.

5. The reports, statements and other documents required to be furnished to the Trustee pursuant to any provisions of the Resolution shall be available for the inspection of Bondholders at the office of the Trustee and shall be mailed to each Bondholder who shall file a written request therefor with the City. The City may charge for such reports, statements and other documents, a reasonable fee to cover reproduction, handling and postage.

SECTION 716. Governmental Reorganization. Notwithstanding any other provisions of this Resolution, including without limitation, paragraph 2 of Section 707 and Section 715 hereof, this Resolution shall not prevent any lawful reorganization of the governmental structure of the City, including a merger or consolidation of the City with another public body or the transfer of a public function of the City to another public body, provided that any reorganization which affects the System shall provide that the System shall be continued as a single enterprise and that any public body which succeeds to the ownership and operation of the System shall also assume all rights, powers, obligations, duties and liabilities of the City under this Resolution and pertaining to all Bonds. Except as permitted in this Section 716, the City shall not cause or permit its corporate existence to be abolished and shall resist all attempts to contract or diminish the territorial limits of the City or the service area of the System. The City covenants that it will provide each of the national rating agencies then carrying an effective rating on the Bonds with a copy of any amendments made to this Resolution pursuant to the provisions hereof; however, failure to timely provide such notice shall not effect the validity of any such amendment or cause a default under this Resolution.

The City shall promptly notify the Paying Agents of the appointment of any such successor Trustee or Co-Trustee.

SECTION 911. Merger or Consolidation. Any company into which any Fiduciary may be merged or converted or with which it may be consolidated or any company resulting from any merger, conversion or consolidation to which it shall be a party or any company to which any Fiduciary may sell or transfer all or substantially all of its corporate trust business, provided such company shall be a bank or trust company organized under the laws of any state of the United States or a national banking association and shall be authorized by law to perform all duties imposed upon it by the Resolution, shall be the successor to such Fiduciary without the execution or filing of any paper or the performance of any further act.

Any provision in this Article for the mailing of a notice or other paper to Bondholders shall be fully complied with if it is mailed postage prepaid or provided electronically only (i) to each registered owner of Bonds then Outstanding at such owner's address, if any, appearing upon the registry books of the City and (ii) to the Trustee.

2. Any provision in this Article for publication of a notice or other matter shall require the publication thereof only in an Authorized Newspaper.

SECTION 1102. Powers of Amendment. Any modification or amendment of the Resolution and of the rights and obligations of the City and of the Holders of the Bonds thereunder, in any particular, may be made by a Supplemental Resolution, with the written consent given as provided in Section 1103 (i) of the Holders of not less than a majority in principal amount of the Bonds Outstanding affected by the modification or amendment at the time such consent is given, and (ii) in case the modification or amendment changes the terms of any Sinking Fund Installment, of the Holders of not less than a majority in principal amount of the Bonds of the particular Series and maturity entitled to such Sinking Fund Installment and Outstanding at the time such consent is given; provided, however, that if such modification or amendment will, by its terms, not take effect so long as any Bonds of any specified like Series and maturity remain outstanding the consent of the Holders of such Bonds shall not be required and such Bonds shall not be deemed to be Outstanding for the purpose of any calculation of Outstanding Bonds under this Section. No such modification or amendment shall permit a change in the terms of redemption or maturity of the principal of any Outstanding Bond or of any installment of interest thereon or a reduction in the principal amount or the Redemption Price thereof or in the rate of interest thereon without the consent of the Holder of such Bond, or shall reduce the percentages or otherwise affect the classes of Bonds the consent of the Holders of which is required to effect any such modification or

amendment, or shall change or modify any of the rights or obligations of any Fiduciary without its written assent thereto. For the purposes of this Section, a Series shall be deemed to be affected by a modification or amendment of the Resolution if the same adversely affects or diminishes in any material respect the rights of the Holders of Bonds of such Series. The Trustee may in its discretion determine in reliance upon certificates of the City, the Consulting Engineer, the Financial Advisor to the City and Opinions of Counsel, whether or not, in accordance with the foregoing powers of amendment, Bonds of any particular Series or maturity would be materially adversely affected by any modification or amendment of the Resolution and any such determination shall be binding and conclusive on the City and all Holders of Bonds. For purposes of this Section, the Holders of any Bonds may include the initial Holders thereof, regardless of whether such Bonds are being held for resale and regardless of whether such Bonds may thereafter have been transferred to subsequent owners. Bonds as used in Article X and this Article XI shall not include Parity Reimbursement Obligations.

SECTION 1103. Consent of Bondholders. The City may at any time adopt a Supplemental Resolution making a modification or amendment permitted by the provisions of Section 1102 to take effect when and as provided in this Section. A copy of such Supplemental Resolution (or brief summary thereof or reference thereto in form approved by the Trustee), together with a request to affected Bondholders for their consent thereto in form satisfactory to the Trustee, shall be mailed by the City to affected Bondholders (but failure of any affected Holder of a Bond to receive such copy and request shall not affect the validity of the Supplemental Resolution when consented to as in this Section provided). Such Supplemental Resolution shall not be effective unless and until ~~(i)~~ there shall have been filed with the Trustee (with a copy to the Co-Trustee, if any) (a) the written consents of Holders of the percentages of affected Outstanding Bonds specified in Section 1102 and (b) an Opinion of Counsel stating that such Supplemental Resolution has been duly and lawfully adopted and filed by the City in accordance with the provisions of the Resolution, is authorized or permitted by the Resolution, and is valid and binding upon the City and enforceable in accordance with its terms, ~~and (ii) a notice shall have been given as hereinafter in this Section 1103 provided.~~ It shall not be necessary that the consents of Holders of Bonds approve the particular form of wording of the proposed modification or amendment or of the proposed Supplemental Resolution effecting such modification or amendment, but it shall be sufficient if such consents approve the substance of the proposed amendment or modification. Each such consent shall be effective only if accompanied by proof of the holding, at the date of such consent, of the Bonds with respect to which such consent is given, which proof shall be such as is permitted by Section 1202. A certificate or certificates executed by the Trustee and filed with the Co-Trustee, if any, and the City stating that it has examined such proof and that such proof is sufficient in accordance with Section 1202 shall be conclusive that the consents have been given by the Holders of the Bonds described in such certificate or certificates of the Trustee. Any such consent shall be irrevocable and binding upon the Holder of the affected Bonds giving such consent and, anything in Section 1202 to the contrary notwithstanding, upon any subsequent Holder of such affected Bonds and of any Bonds issued in exchange therefor (whether or not such subsequent Holder thereof has notice thereof) ~~unless such consent is revoked in writing by the Holder of such Bonds giving such consent or a subsequent Holder thereof by filing with the Trustee, prior to the time when the written statement of the Trustee hereinafter in this Section 1103 provided for is filed, such revocation. The fact that a consent has not been revoked may likewise be proved by a certificate of the Trustee filed with the Co-Trustee, if any, and the City to the effect that no revocation thereof is on file with the Trustee.~~ At any time after the Holders of the required percentages of affected Bonds shall have filed their consents to the Supplemental Resolution, the

Trustee ~~shall~~may make and file with the Co-Trustee, if any, and the City a written statement that the Holders of such required percentages of affected Bonds have filed such consents. Such written statements shall be conclusive that such consents have been so filed. ~~At any time thereafter, notice stating in substance that the Supplemental Resolution (which may be referred to as a Supplemental Resolution adopted by the City on a stated date, a copy of which is on file with the Trustee) has been consented to by the Holders of the required percentages of affected Bonds and will be effective as provided in this Section 1103, may be given to Bondholders by the City by mailing such notice to Bondholders (but failure of any affected Holder of a Bond to receive such notice shall not prevent such Supplemental Resolution from becoming effective and binding as in this Section 1103 provided) after the Holders of the required percentages of affected Bonds shall have filed their consents to the Supplemental Resolution and the written statement of the Trustee hereinabove provided for is filed. The City shall file with the Trustee (with a copy to the Co-Trustee, if any) proof of the mailing thereof.~~—A record, consisting of the certificates or statements required or permitted by this Section 1103 to be made by the Trustee, shall be proof of the matters therein stated. Such Supplemental Resolution making such amendment or modification shall be deemed conclusively binding upon the City, the Fiduciaries and the Holders of all Bonds ~~at the expiration of 40 days after~~immediately upon the filing with the Trustee of the proof of the giving of such last-mentioned notice, ~~except in the event of a final decree of a court of competent jurisdiction setting aside such Supplemental Resolution in a legal action or equitable proceeding for such purpose commenced within such 40-day period; provided, however, that any Fiduciary and the City during such 40-day period and any such further period during which any such action or proceeding may be pending shall be entitled in its absolute discretion to take such action, or to refrain from taking such action, with respect to such Supplemental Resolution as they may deem expedient.~~

SECTION 1104. Modifications or Amendments by Unanimous Consent. The terms and provisions of the Resolution and the rights and obligations of the City and of the Holders of the Bonds thereunder may be modified or amended in any respect upon the adoption and filing by the City of a Supplemental Resolution and the consent of the Holders of all of the affected Bonds then Outstanding, such consent to be given as provided in Section 1103 except that no notice to affected Bondholders by mailing shall be required; provided, however, that no such modification or amendment shall change or modify any of the rights or obligations of any Fiduciary without the filing with the Trustee of the written assent thereto of such Fiduciary in addition to the consent of the Bondholders.

SECTION 1105. Exclusion of Bonds. Bonds owned or held by or for the account of the City shall not be deemed Outstanding for the purpose of consent or other action or any calculation of Outstanding Bonds provided for in this Article XI, and the City shall not be entitled with respect to such Bonds to give any consent or take any other action provided for in this Article. At the time of any consent or other action taken under this Article, the City shall furnish the Trustee a certificate of an Authorized Officer of the City, upon which the Trustee may rely, describing all Bonds so to be excluded.

SECTION 1106. Notation on Bonds. Bonds authenticated and delivered after the effective date of any action taken as in Article X or this Article XI provided may, and, if the Trustee so determines, shall, bear a notation by endorsement or otherwise in form approved by the City and the Trustee as to such action, and in that case upon demand of the Holder of any Bond Outstanding at such effective date and presentation of such Holder's Bond for the purpose at the corporate trust office of the Trustee or upon any transfer or exchange of any Bond Outstanding at

such effective date, suitable notation shall be made on such Bond or upon any Bond issued upon any such transfer or exchange by the Trustee as to any such action. If the City or the Trustee shall so determine, new Bonds so modified as in the opinion of the Trustee and the City to conform to such action shall be prepared, authenticated and delivered and upon demand of the Holder of any Bond then Outstanding shall be exchanged, without cost to such Bondholder, for Bonds of the same Series, maturity and interest rate then Outstanding, upon surrender of such Bonds. Any action taken as in Article X or this Article XI provided shall be effective and binding upon all Bondholders notwithstanding that the notation is not endorsed on all Bonds.

SECTION 1107. Utility Cost Containment Bonds. Pursuant to Section 163.09, Florida Statutes, notwithstanding anything herein to the contrary, (i) if permitted by applicable law, the City may in the future cause or permit the creation of a property right referred to as a “utility project charge” or the like, levied on customers of the System as a separate charge on the utility bill, to secure utility cost containment bonds or other indebtedness issued or incurred by an interlocal agency or limited liability company in order to finance or refinance a utility project of the City or the System; (ii) revenues from a utility project charge shall not constitute Revenues of the City or the System for any purpose, including any dedication, commitment, or pledge of revenue, receipts, or other income that the City or the System has made or will make for the security of any of its obligations; and (iii) if the City or the System shall hold the money collected in trust from such utility project charge, such money shall not become Revenues by virtue of possession by the City or the System.

The Trustee shall, if so directed by the City (i) prior to the maturity date of Bonds deemed to have been paid in accordance with this Section 1201 which are not to be redeemed prior to their maturity date or (ii) prior to the giving of the notice of redemption referred to in clause (a) above with respect to any Bonds deemed to have been paid in accordance with this Section 1201 which are to be redeemed on any date prior to their maturity, apply moneys deposited with the Trustee in respect of such Bonds and redeem or sell Defeasance Securities so deposited with the Trustee and apply the proceeds thereof to the purchase of such Bonds and the Trustee shall immediately thereafter cancel all such Bonds so purchased; provided, however, that the moneys and Defeasance

In the event that on any date as a result of any purchases, acquisitions and cancellations of Bonds as provided in this Section 1201 the total amount of moneys and Defeasance Securities remaining on deposit with the Trustee under this Section 1201 is in excess of the total amount which would have been required to be deposited with the Trustee on such date in respect of the remaining Bonds in order to satisfy subclause (b) of this paragraph 2 of Section 1201, the Trustee shall, if requested by the City, pay the amount of such excess to the City free and clear of any trust, lien, pledge or assignment securing said Bonds or otherwise existing under this Resolution.

on or prior to the maturity date or redemption date thereof, as the case may be, shall be calculated at the maximum rate permitted by the terms thereof; provided, however, that if on any date, as a result of such Variable Rate Bonds having borne interest at less than such maximum rate for any period, the total amount of moneys and Defeasance Securities on deposit with the Trustee for the payment of interest on such Variable Rate Bonds is in excess of the total amount which would have been required to be deposited with the Trustee on such date in respect of such Variable Rate Bonds in order to satisfy the second sentence of paragraph 3 of this Section 1201, the Trustee shall, if requested, by the City, pay the amount of such excess to the City free and clear of any trust, lien, pledge or assignment securing the Bonds or otherwise existing under the Resolution.

5. Option Bonds shall be deemed to have been paid in accordance with the second sentence of paragraph 3 of this Section 1201 only if, in addition to satisfying the requirements of clauses (a) and (c) of such sentence, there shall have been deposited with the Trustee moneys (including moneys withdrawn and deposited pursuant to paragraph 4 of Section 507 and paragraph 5 of Section 508) in an amount which shall be sufficient to pay when due the maximum amount of principal of and premium, if any, and interest on such Bonds which could become payable to the Holders of such Bonds upon the exercise of any options provided to the Holders of such Bonds; provided, however, that if, at the time a deposit is made with the Trustee pursuant to paragraph 2 of this Section 1201, the options originally exercisable by the Holder of an Option Bond are no longer exercisable, such Bond shall not be considered an Option Bond for purposes of this paragraph 5. If any portion of the moneys deposited with the Trustee for the payment of the principal of and premium, if any, and interest on Option Bonds is not required for such purpose the Trustee shall, if requested by the City, pay the amount of such excess to the City free and clear of any trust, lien, pledge or assignment securing said Bonds or otherwise existing under the Resolution.

7. In the event that after compliance with the provisions of paragraph 6 of Section 1201 the Defeasance Securities described in clause (f) of the definition thereof are included in the Defeasance Securities deposited with the Trustee in order to satisfy the requirements of clause (b) of paragraph 3 of Section 1201 and any such Defeasance Securities are actually redeemed by the issuer thereof prior to their maturity date, then the Trustee at the direction of the City, provided

that the aggregate of the moneys and Defeasance Securities to be held by the Trustee, taking into account any changes in redemption dates or instructions to give notice of redemption given to the Trustee by the City in accordance with paragraph 8 of Section 1201, shall at all times be sufficient to satisfy the requirements of clause (b) of paragraph 3 of Section 1201, shall reinvest the proceeds of such redemption in Defeasance Securities.

8. In the event that after compliance with the provisions of paragraph 6 of Section 1201 the Defeasance Securities described in clause (f) of the definition thereof are included in the Defeasance Securities deposited with the Trustee in order to satisfy the requirements of clause (b) of paragraph 3 of Section 1201, then any notice of redemption to be given by the Trustee and any set of instructions relating to a notice of redemption given to the Trustee may provide, at the option of the City, that any redemption date or dates in respect of all or any portion of the Bonds to be redeemed on such date or dates may at the option of the City be changed to any other permissible redemption date or dates and that redemption dates may be established for any Bonds deemed to have been paid in accordance with this Section 1201 upon their maturity date or dates at any time prior to the actual giving of any applicable notice of redemption in the event that all or any portion of any Defeasance Securities described in clause (f) of the definition thereof have been called for redemption pursuant to an irrevocable notice of redemption or have been redeemed by the issuer thereof prior to the maturity date thereof; no such change of redemption date or dates or establishment of redemption date or dates may be made unless taking into account such changed redemption date or dates or newly established redemption date or dates the moneys and Defeasance Securities on deposit with the Trustee including any Defeasance Securities deposited with the Trustee in connection with any reinvestment of redemption proceeds in accordance with paragraph 7 of Section 1201 pursuant to clause (b) of paragraph 3 of Section 1201 would be sufficient to pay when due the principal and Redemption Price, if applicable, and interest on all Bonds deemed to have been paid in accordance with paragraph 3 of Section 1201 which have not as yet been paid.

9. Anything in the Resolution to the contrary notwithstanding, any moneys held by a Fiduciary in trust for the payment and discharge of any of the Bonds which remain unclaimed for six years after the date when such Bonds have become due and payable, either at their stated maturity dates or by call for earlier redemption, if such moneys were held by the Fiduciary at such date, or for six years after the date of deposit of such moneys if deposited with the Fiduciary after the said date when such Bonds become due and payable, shall, at the written request of the City, be repaid by the Fiduciary to the City, as its absolute property and free from trust, and the Fiduciary shall thereupon be released and discharged with respect thereto and the Bondholders shall look only to the City for the payment of such Bonds; provided, however, that before being required to make any such payment to the City, the Fiduciary shall, at the expense of the City, ~~cause to be published at least twice, at an interval of not less than 7 days between publications, in an Authorized Newspaper, a notice that said moneys remain unclaimed and that, after a date named in said notice, which date shall be not less than 30 days after the date of the first publication of such notice, the balance of such moneys then unclaimed will be returned to~~comply with any publication requirements required under Florida law as certified by the City.

The fact and date of the execution by any Bondholder or such Bondholder's attorney of such instruments may be proved by a guarantee of the signature thereon by a bank or trust company or by the certificate of any notary public or other officer authorized to take acknowledgments of deeds, that the person signing such request or other instrument acknowledged to such officer the execution thereof, or by an affidavit of a witness of such execution, duly sworn to before such notary public or other officer. Where such execution is by an officer of a corporation or association or a member of a partnership, on behalf of such corporation, association or partnership, such signature guarantee, certificate or affidavit shall also constitute sufficient proof of such officer's authority.
