2001 MAY 16 PM 4:33

To whom it may concern,

I regret to inform the City Beautification Board that I must resign due to a conflict of interest between my recent appointment to the board and my internship with the Parks Division of Gainesville. This is covered under Section 122.313(7), Fla. Stat.

Please accept my apologies.

Sincerely,

A handwritten signature in cursive script, appearing to read "Heather Martin".

Heather Martin
