Dear Mr. Singleton:

The Florida Department of Transportation has received your rankings, scoring sheets and request for concurrence to negotiate with Kinsinger Campo & Associates Corp. After review of all submittals the Department concurs with the City of Gainesville's recommendation. Prior to the negotiation meeting both the City and the consultant must provide staff hour estimates to the Department for review prior to negotiations.

After negotiation takes place, please submit the following documents via the Grant Application Program (GAP):

- A draft CEI contract for District review and approval
- Negotiation Meeting Minutes
- Executed copy of LAP Professional Services Checklist for Federally Funded Professional Services Contracts

Should you have questions or need additional information, I can be reached at 386-961-7363.

Sincerely,

Amy Roberson
