Remove Existing Guardrail & Replace
with ornamental AL fence.

Tumblin Creek Park Fence

**Community Redevelopment Agency
September 17, 2007**

Project Background

- Replace the defective chain link fence on the southeast perimeter of the Tumblin Creek Park (adjoining SW 6th Street) with a black aluminum ornamental fence.

Views from SW 6th Street

View South

View North

Project Scope

- The east boundary is only partly fenced along SW 6th Street with a total estimated length of 600 linear feet.
- The Depot Avenue boundary fence will be replaced after the roadway design is completed.
