Grant recipients should maintain logs of passes provided. Those logs may be reviewed by the City.

I certify that the information provided on the front of this page is true and accurate. Additionally, I certify that I have read and understand the requirements of the Discounted Bus Pass Program; and I agree that the applying organization, which I represent, will abide by those requirements, including, but not limited to, the following:

- Prior to the disbursement of passes, grant recipients must certify, through a signed acknowledgement, that they are complying with the program requirements.
- The City matches the recipient based on actual services purchased, up to the awarded amount. All recipients must submit a reimbursement request for services provided.
- All services must take place within the City and are intended for City residents.
- Pass recipients cannot charge for services funded by the program.
- Funds are to be used for services, not capital improvements.
- Grant recipients must comply with Title VII of the Civil Rights Act of 1964 and the City's Discrimination Ordinance, Chapter 8 of the City's Code of Ordinances, to assure that no person is excluded from participation or denied the benefits of any program or service on the basis of race, color, gender, age, religion, national origin, marital status, sexual orientation, disability or gender identity.
- The organization must be in compliance with all local, federal, and state laws and also in good standing with any loan agreements, zoning requirements and payments for GRU services.
- Program recipients may not use passes to promote the religion of the provider or any other religion, or provide religious indoctrination or engage in any religious ritual as part of, or related to, the services funded by the grant.
- Discounted Bus Pass Program funds may be used to expand existing eligible programs, but shall not be used to replace or substitute for existing City funding.
- Organizations must re-apply each year. There is no guarantee of on-going funding for services.
- Recipients may not combine award with other discount offers from RTS grants or discounts provided by the City (i.e. Medicare, Medicaid).
