

Cinema Verde Film Contest

Our objective is to bring environmental awareness to our audience. Each film must be based on valid, factual information. Those with a solution orientation will be regarded most favorably. Winners will receive full-access VIP Festival Passes to all Cinema Verde screenings, workshops, parties and events. Cash prizes will be awarded in each category.

Categories Include:

- ❖ Full-Length Feature Film
- ❖ Florida High School PSA Competition (Grades 9-12)
- ❖ 30 second to 30 minutes Short Films
(College Students Only. Includes International Schools.)

Full Length Feature Film:

50-minutes or longer feature films may be fiction or non-fiction but must be based on valid information.

Florida High School PSA Competition:

30- to 90-second PSAs (Public Service Announcements) featuring an environmental issue or an organization working to solve an issue. Open to students and student groups in grades 9 – 12.

30-second to 30-minute Short Films:

Focuses on environmental issue, social justice issue, or sustainability. Films should include potential solutions to issues presented. Open to college students or teams enrolled in colleges in any country.

For film submission rules regarding deadlines, foreign language films, and submission guidelines, please visit <http://verdefest.org/index.php/film-submissions/>

Additional information based on each category can also be found on the Cinema Verde website.
