

Planning and Development Services Department

PB-13-57 TCH
City Commission
August 15, 2013
Legistar No. 130157

Proposed Sign Code

- **Permanent Freestanding signs and structures**
 - Slight increase in signage area for monument signs
 - Extra Primary signs for developments with 500 linear feet of frontage instead of 600Lf
 - Signs allowed on multiple street frontages
 - Signage allowed for designated outparcels
 - I-75 Corridor Signage is allowed

- **Building –mounted signs**
 - **Consistent measuring system based on the width of the building instead of the height of the building**
 - **Additional signage for buildings on multiple frontages**
 - **Clarified when window signage will be counted toward building-mounted signage**
 - **Allowed an additional sign for development with frontages of 500 linear feet or more.**

- **Building –mounted signs**
 - **Addressed signage for buildings greater than two stories: Up to 300 sq. ft., and 4 signs max.**
 - **Addressed signage for parking garages: 75 square feet per street frontage.**

Proposed Sign Code

130157H

- **Temporary Signage**
 - **Clarified short term versus long term temporary signs**
 - **Added rental and leasing signs: 4 per development**
 - **Extended the timeframe for long term signs from 60 days to 120 days**

Proposed Sign Code

- **Nonconforming and abandoned signs**
 - **Defined the term development activity as it relates to abandoned signs and extended the time period for abandoned signs from 120 days to 12 months.**
 - **Amended the time period for removing an abandoned sign from 10 days to 30 days**

- **Approve Petition PB-13-57TCH**
