Re: Scheduling of Duckpond Restoration Item

Dear Mayor DeLaney:

I understand that the Duckpond Restoration item scheduled for the Consent Agenda has been moved from that agenda to a spot on the City Manager's Report. You have already received a letter from Sam Gowan on this subject in which he states that I have been asked to be present at the meeting. I am happy to do this but have a scheduling problem of my own. I have a previous commitment for the 3:00 PM hour. I will, of course, attend the meeting as soon as I can but I am afraid it will not be until 4 PM or later.

If it is not possible to postpone this item, then I understand. Mr. Gowan's letter does explain the situation in full and I support it in full.

Thank you for your consideration in this matter.

Sincerely,

Jane D. Myers
