

**RALPH E. ENG**  
**Professional Engineer**

---

---

**Education**

University of Florida, Gainesville, FL  
B.S. Agricultural Engineering - 1965

**Professional Registrations**

1970 - Florida #11630  
1974 - Mississippi #07241

**Experience**

- ENG, DENMAN & ASSOC., INC.
- CHANCE, ENG & DENMAN, INC.
- SVERDRUP CORP.
- DAVID B. SMITH ENGINEERS
- U.S. DEPARTMENT OF AGRICULTURE

Mr. Eng has over 30 years of experience in the civil engineering field. He has been the Engineer of Record on projects which include water plants and distribution, sanitary sewer collection, pump stations and wastewater treatment plants, roadway improvements and drainage facilities, commercial/industrial development, subdivisions, land use/rezoning matters, lead consultant for DRI and project team for DRI.

**DRI PROJECTS**

Lead consultant for Progress Center  
Project team member for Av-Med Health Park and Haufler's Springhill

**SITE CIVIL PROJECTS**

Many commercial, recreation and residential subdivisions in Alachua County, City of Gainesville and others.

### **LAND USE/REZONING MATTERS**

Acted as Agent representing many projects requiring land use (major & minor) changes and rezoning of properties in Alachua County and the City of Gainesville.

### **OTHERS**

Served on the City of Gainesville's "Glitch" Committee for reviewing the City's Land Development Regulations.

### **MEMBER**

National Society of Professional Engineers  
Florida Engineering Society

## RICHARD D. TARBOX

**Personal:** Address: 1734 NW 17th Lane  
Gainesville, Florida 32605  
Phone: 352-337-0246 Fax: 352-335-9610

**Education:**  
1964-1966 University of North Carolina at Chapel Hill  
Master of Regional Planning granted in 1967

1958-1963 Miami University, Oxford, Ohio  
Bachelor of Architecture granted in 1963

**Honors:** Recipient of Reynolds Aluminum Award - Original Architectural Design - 1963

**Experience:**  
Present Broker/Salesman, MM Parrish, Coldwell-Banker, Gainesville, Florida

Present Planning and Design Consultant

1997-99 County Manager, Alachua County  
*Responsible for all normal functions of County Manager including supervision of Deputy County Manager and five departments of County government. Liaison between Board of County Commissioners and staff; inter-governmental coordination between County Commission, five constitutional officers and nine cities and towns. Development and administration of budget in excess of \$180 million. Implemented basic benchmarking and extensive communication plan.*

1996-97 Interim County Manager, Alachua County  
*Responsible for all normal functions of the County Manager.*

1996-97 Interim Director of Department of Criminal Justice Services, Alachua County  
*Responsible for direction and coordination of all aspects of the Department of Criminal Justice Services including the 920-bed County Jail (including security, booking in/out, medical, food service, classification, and programs); Court Alternatives (pretrial release and supervision, drug court, probation, Metamorphosis residential drug treatment program and work release); and general administrative functions.*

1991-97 Deputy County Manager, Alachua County  
*Reported directly to the County Manager. Responsible for supervision of all departments in County Manager's absence. A member of the management team. Deputy completes special tasks requiring a high level of management expertise. Staffs special task forces and is in charge of community liaison functions and labor negotiations; Department of Environmental Protection and Department of Fire Rescue Services report directly to Deputy County Manager.*

- 1987-97      Assistant County Manager, Alachua County  
*Reported directly to County Manager. Responsible for supervision and coordination of the Departments of Public Works, Planning and Development, Environmental Services, Codes Enforcement, Agricultural Extension, and Offices of Tourist Development and Economic Development.*
- 1971-87      Richard D. Tarbox, Planning and Design Consultant, Gainesville, Florida  
*A team approach was applied to specific problems and a personalized service provided. Projects ranged from a 7,000-acre new community to one-building site plans, PUD preparation, rezoning applications management, and expert witness testimony in various Florida land use and condemnation proceedings.*
- 1979-87      President, Thornebrook Development Corporation, Gainesville, Florida  
*This corporation was involved in the development of land and construction of residences, office buildings, shopping centers, and other similar scale structures including Thornebrook III Condominium Offices, Thornebrook Village - Shopping in a Park (condominium shopping center) and 12,000 square foot professional office building.*
- 1983-87      Richard D. Tarbox, Licensed Real Estate Broker, Gainesville, Florida  
*Real Estate office was primarily concerned with the marketing of land, commercial properties and special use properties.*
- 1969-72      Executive Director, North Central Florida Regional Planning Council, Gainesville, Florida  
 Executive Director, North Central Florida Health Planning Council, Inc., Gainesville, Florida  
*Responsible for organization and administration of newly created agencies and supervision of all staff. Overall program design for a 5 to 7 year period, initial housing element, preliminary base mapping program, and coordination of the Gainesville Urban Area Transportation Study. Other programs included Comprehensive Land Use Analysis, Population and Economic Study, and Preliminary Plan and Organization of a Citizen Participation Committee.*
- 1967-69      Regional Planner, East Central Florida Regional Planning Council, Titusville, Florida (now located in Winter Park)  
*Responsible for all planning functions, providing staff service to committees of the Council, and liaison to related agencies and groups throughout the seven county region. Served as Acting Director in charge of all staff operations.*
- 1966-67      Planner, David M. Walker Associates, Inc., Urban Renewal and Community Planning Consultants, Cleveland, Ohio
- 1965          Intern, Department of City Planning, Norfolk, Virginia
- 1963-64      Architectural Planner, Ladislav Segoe and Associates, City Planners and Consulting Engineers, Cincinnati, Ohio

**Guest Lecturer:** University of Florida, Gainesville, Florida

**Professional**

**Memberships:** FCCMA (Florida City/County Managers Association) - Member  
ICMA - Member  
AICP - American Institute of Certified Planners - Charter Member  
American Planning Association - Charter Member  
Department of Urban and Regional Planning, Advisory  
Committee, University of Florida

**Civic**

**Activities:** Rotary Club of Gainesville Sunrise - Charter President, Board of Directors,  
Charter Member, Paul Harris Fellow

United Way of Alachua County (past)

YMCA - President and Board Member (past)

Visions 2000 Alachua County Program - Steering Committee

**Licenses:** Licensed Real Estate Broker, Florida

**Other:** Qualified as Expert Witness in several Florida Judicial Circuits

Supreme Court certified County Court Mediator (#04220-C)

Property Rights Special Master - completed training by the Florida Conflict  
Resolution Consortium 1995

4406-A SW 70th Terrace  
Gainesville, FL 32608  
(904) 395-6640

**MICHAEL E. DRUMMOND**

**ABBREVIATED CURRICULUM VITAE**

**EDUCATION**

Post baccalaureate study (42 hours), University of Florida, 1983-1988; curriculum emphasis - Resource Conservation; cumulative GPA 3.15/4.0

BS in Forest Resources & Conservation, University of Florida, August 1982; curriculum emphases - Wildlife Ecology and Botany; cumulative GPA 3.3/4.0

AA degree, Santa Fe Community College, August 1980; curriculum emphasis - prerequisites for University of Florida School of Forest Resources & Conservation Wildlife Ecology program; cumulative GPA 3.5/4.0

**PROFESSIONAL EXPERIENCE**

1990-present: Alachua County Environmental Protection Department, Natural Resources Program; senior planner (environmental); primary responsibility to provide environmental and cultural resource impact analysis and recommendation to Board of County Commissioners regarding land use, zoning and development applications; additional responsibilities include natural resource-related expert testimony in administrative and quasi-judicial hearings; composition/defense/implementation of Comprehensive Plan data/analysis and policy, land development regulations and environmental codes; citizen complaint/inquiry response; and wetland jurisdictional determinations.

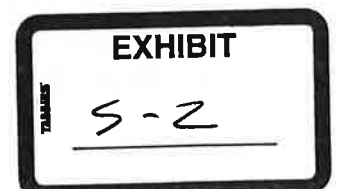

1989-1990: Florida Institute of Phosphate Research/Florida Gopher Tortoise Council; research assistant; primary responsibilities included qualitative and quantitative analyses of gopher tortoise habitats in reclaimed and natural areas at Tenoroc State Reserve.

1988-1990: Environmental Services & Permitting, Inc.; staff botanist and wildlife ecologist; primary responsibilities included wetland jurisdictional determinations using federal, state and local methodologies, rare/threatened/endangered floral and faunal surveys, floral and faunal inventory and monitoring of natural, altered and reclaimed wetlands; additional responsibilities included ground and surface water sampling, archaeological survey, qualitative and quantitative benthic macroinvertebrate sampling, habitat/natural community analysis and mapping, survey and/or relocation of populations of gopher tortoises/commensals.

1987-1988: University of Florida, Florida Museum of Natural History Vascular Plant Herbarium; botanist; responsible for identification of vascular plant specimens submitted by public and private entities, preservation of selected specimens, and annotation of existing collections.

1985-1986: University of Florida, School of Forest Resources & Conservation; research assistant; responsible for identification and quantification of vascular plants in forest succession studies.

1983-1984: University of Florida, School of Forest Resources & Conservation; graduate teaching assistant responsible for instruction and testing of undergraduates in field and laboratory techniques of vascular plant identification.

## **CONTINUING EDUCATION**

### Computer Knowledge

Proficient in Microsoft – Windows, Word, Excel, Power Point; Wordperfect; Macintosh – McDraw, Excel, and ClarisWorks; and Highway Capacity Software.

Introductory knowledge of Microsoft – Access; MapInfo; ArcView; DBASE IV; Quattro Pro; AutoCAD; and ArtPlan.

### Specialized Training

Highway Capacity Analysis, T2 course – December 7-8, 1999

Coordinating Transportation and Land Use, NTI course – June 22-24, 1998

Introduction to Urban Travel Demand Forecasting, NHI course – March 16-20, 1998

Site Impact Studies, NHI course – November 1997

Census Transportation Planning Package, T2 / BTS course – May 1997

Market Research for the Transit Industry, T2 course – July 1996

Estimation of the Impacts of Transportation Alternatives, NHI course – September 1995

Population Projections, T2 course – August 1995

Bicycle Facilities Planning and Design Workshop, FDOT course – March 1995

School Crossing Guard Trainer Certification, FDOT certification – September 1993

Children In Traffic: Safety Education Seminar, University of Florida – June 24-27, 1993

Advanced Pedestrian Facilities Planning and Design, FDOT course – March 1993

Introduction to Pedestrian Facilities Planning & Design, FDOT course – September 1992
