Honorable Mayor Hanrahan:

I regret to inform you that I must resign from the Gainesville Energy Advisory Committee (GEAC) effective immediately. Recent joyous additions to my family and increased demands at the office preclude me from dedicating the time and energy necessary to be a member and leader of the GEAC.

Energy Concerns and Sustainable development are still items near and dear to my heart and I plan on staying involved in the Community promoting efforts and educating individuals to the degree that my family and work life will allow.

Thank you for the opportunity and the trust you and the Commission have placed in me. It has been a pleasure serving the City Commission and the Citizens of Gainesville.

Sincerely,

Robert J. Walpole, PE
Chairman
