Re: Airborne Releases Ad Hoc Committee; Your letter dated June 7, 1999

Dear Mr. DeMeo:

In response to your letter and your telephone call on this date, I want to inform you that the Airborne Releases Ad Hoc Committee will present its final report to the city commission at its regular meeting on Monday, June 14, 1999. The regular meeting begins at 3:00 p.m. and you and your client are invited to appear and address the commission, as you desire.

This Office has not attended the meetings of the Ad Hoc Committee since February 11, 1999, and we are therefore not familiar with the issues in the final report. Therefore at this time we would prefer that you direct your comments directly to the commission until the commission decides what policy direction it desires to take.

Sincerely,

MARION J. RADSON
