Dear Tony Jones:

The Florida Department of Transportation (FDOT) State Safety Office is pleased to inform you that your agency has been selected to receive subgrant funding for the 2019 Federal fiscal year, which begins October 1, 2018. The following concept paper has been accepted and included in the FDOT FY2019 Highway Safety Plan (HSP) with the following project number, title, and funding levels below:

<u>FY2019 HSP Project Number</u>	<u>Original Requested Amount</u>	<u>Total Subgrant Funding Awarded</u>		
DD-19-04-05	\$ 90,000	\$ 5,000		
<u>FY2019 HSP Project Title</u>				
Gainesville Police Department Distracted Driver Program				
Subgrant awards may not be the same as the amount requested in your concept paper. The above Total Subgrant Funding Awarded is broken down as follows:				
<u>Awarded Personnel Services</u>	<u>Awarded Contractual Services</u>	<u>Awarded Expenses</u>	<u>Awarded Equipment Costing over \$5,000</u>	<u>Awarded Indirect</u>
\$ 4,000	\$	\$ 1,000	\$	\$

Based upon funding levels awarded to the State of Florida for the Federal fiscal year by the National Highway Traffic Safety Administration (NHTSA), subgrant awards may not be the same as the amount requested in your concept paper and the award does not mean that everything listed in the concept paper, including any equipment requests, were approved and/or funded.

Attached is the new FDOT subgrant form that will need to be completed for execution of your subgrant funding. The total amount of the subgrant cannot exceed the amounts awarded listed above. All FY2019 subgrants **MUST** be submitted using the new FDOT Subgrant Form attached hereto. Any subgrants submitted on old forms will be returned for resubmittal on the new form.

An electronic version of this letter and the FY2019 Subgrant Form has been emailed to your Project Contact, Summer Hallett Kerkau, which was listed on your Concept Paper Application, by your assigned FDOT Traffic Safety Program Manager Leilani Gruener. They will coordinate with your Project Contact to work on finalizing the details of your FDOT/NHTSA approval, completing the subgrant form, and submitting it for execution.

We look forward to working with you on this project. If you have any questions, please contact your program manager by email at leilani.gruener@dot.state.fl.us or me at chris.craig@dot.state.fl.us. Dear Tony Jones:

I regret to inform you that the Florida Department of Transportation (FDOT) State Safety Office will not be able to provide highway safety grant funds for the 2019 Federal fiscal year for the following project:

Concept Paper Title	Amount Requested
GPD Occupant Protection Enforcement Program	\$ 20,000

Your concept paper was reviewed and ultimately not funded because your agency did not rank within the top 25% for fatalities and serious injuries in the requested program area.

Although we could not fund your project at this time, should you be interested in applying for future funding in this and other areas, concept papers for 2020 Federal fiscal year funding will be accepted from January 1, 2019, through February 28, 2019. Concept Paper preparation information is available on our website at:
<http://www.dot.state.fl.us/safety/3-Grants/Grants-Home.shtm>

As always, your commitment to traffic safety is greatly appreciated, and we trust that we truly have similar goals – to save lives. If you have any questions please feel free to contact me at (850) 414-4009 or by email at chris.craig@dot.state.fl.us. Additional information can also be found on our website at:
