FALL 1998 SERVICE
ADJUSTMENTS

WILL BE INCLUDED ON
FRIDAY, 7/10 FROM THE
CITY MANAGER'S
OFFICE

980177

Fall 1998 Service Adjustments
Perry J. Maull, Transit Director
July 13, 1998

It is with great pleasure that I am coming before you, as I do 3 times a year to present our proposed service adjustments for the coming semester. Ridership on city bus routes continues to show strong growth with total ridership year to date of 1,274,187 passenger boardings up some 61% from last year. The Summer 1998 Service Adjustments have been well received with May and June city route ridership totals of 256,621 passenger boardings up from last year's total of 158,156 passenger boardings or an additional 98,465 passenger boardings for May and June.

We have been particularly pleased that Saturday ridership has almost doubled from an average of 1,067 passenger boardings each Saturday a year ago to an average of 2,064 passenger boardings each Saturday for the months of May and June.

A public hearing on these proposed changes was held by the RTS Citizens Advisory Board on June 24, 1998. Within budget constraints those comments were incorporated in these proposed service adjustments.

I would like to highlight the proposed adjustments which will all be effective August 17th:

Frequency Enhancements: Routes 9 (SW 23rd Terrace), Route 12 (SW 34th St.), and Route 20 (SW 20th Ave.) with service to the UF campus will see 15 minute frequencies again this fall. Routes 8 (NW 13th St.), Route 13 (SW 13th St.), and Route 16 (SW 16th Ave.) will operate at 30 minute frequency. If additional Alachua County funds are secured Route 1 (Archer Road) and Route 75 (Tower Road) will also operate every 30 minutes.

Campus Route Patterns: This summer we have worked with UF officials to reroute buses on the campus, since we had too many buses trying to utilize Center Drive which is located just to the west of Shands. A number of city bus routes will use alternative routings on the campus which will give us better access to the main part of campus. The routings are detailed in the back up that was handed out this afternoon.

Unlimited Access Pass: Beginning with the Fall Semester UF students will only have to show their valid UF ID to board any RTS bus.

UF Express: Express bus service will begin from the Oaks Mall. Service is targeted to UF and Shands employees who will merely have to show their staff or faculty ID's to ride for free. UF students will also be able to ride for free. All other passengers will pay the regular fare.

Finally, other than a few minor adjustments, no other city bus route will be changed with most operating as they have during the summer.

I hope that you will agree that the changes to RTS that you have made over the last several months are paying off with increased ridership. I am looking forward to seeing the changes proposed for the Fall 1998 Semester to bring even more increases in ridership, as we build a public transit system that meets the needs of our community for improved mobility.

SERVICES PROVIDED BY

ANSIT SYSTEM

Riding the bus is fun and hassle-free!

We've made bus service more convenient than ever by providing more frequent service on many busy student routes. You'll never have to fight for a parking spot on campus again! Or worry about traffic snarls. Or buy another UF parking decal.

Getting to and from campus couldn't be easier! And it doesn't get any cheaper than FREE! That's right, with a valid GATOR ONE card, UF students can ride anywhere, anytime on any RTS bus all over town!

Question: Who can ride the bus?
All University of Florida students have unlimited access to any Regional Transit System (RTS) bus — any time, anywhere! Any non-UF student can ride at regular fare.

Question: How do I prove I'm a UF student?
Just show your GATOR ONE ID card to the bus driver and you're ready to go anywhere you like.

Question: Why ride a bus?
First of all, you have unlimited access. That means you can ride any RTS bus, anytime, anywhere at no charge. Secondly, it's fun. What a great way to avoid traffic, parking hassles and parking decal costs! Riding the bus is easy and convenient. Chat with friends or roommates on the bus. Catch up on your reading. Or just enjoy a break. You'll even get to class on time!

Question: Where do I catch the bus?
You can get on the bus at any RTS bus stop in town. Pick up a copy of the RTS BUS SCHEDULE BOOKLET and find the nearest bus stop. If you're not sure of the bus route you need or if you need help figuring out where or how to get a transfer bus, call 334-2600 for assistance, or check out our website at www.go-rt.com.

Question: Can I ride only to and from the UF campus?
No, you can ride any of the four UF campus shuttle routes and any of the other 18 routes around town. Several city bus routes bring you to campus where you can easily transfer to a campus route to get around campus. See the map on the inside for locations.

Question: When should I be at the bus stop?
Plan to be at your bus stop 10 minutes before your bus is scheduled to arrive. When the bus arrives, flash your GATOR ONE ID card to the driver and take a seat toward the rear of the bus. (We like to leave the front seats for those riders who are elderly or disabled.)

Question: How often do the buses run?
Buses run on campus every 10 to 30 minutes. Off campus, buses run every 15 to 60 minutes. See the RTS BUS SCHEDULE BOOKLET for exact times and routes.

Question: When I'm on the bus, how do I signal the bus driver to stop at my destination?
When you see the bus getting close to your destination, pull the buzzer cord located above the windows. Try to pull the buzzer about one block before your destination so the driver can make a smooth, safe stop. Exit through the rear doors and step clear of the bus.

Question: Where can I get a copy of the RTS BUS SCHEDULE BOOKLET?
Pick up your free copy at the Reitz Union info desk, your apartment complex office (see list in map section), UF decal office and UF library.

Question: What if I leave something on the bus?
When getting off the bus, be sure to take all your belongings with you. Although we try to return as many items as possible, we cannot be responsible for articles left on the bus. Call 334-2600 if you do lose an item and we'll let you know if it is returned.

Question: Can I bring my bicycle to campus?
No problem. Every RTS bus is equipped with bike racks. Just ride your bike to your bus stop, load it onto the bike rack at the front of the bus and you'll have your bicycle with you for moving around campus to various locations.

Question: Do the buses still run during school breaks and holidays?
Yes, they do. However, schedules are modified. Check the RTS BUS SCHEDULE BOOKLET for exact holiday and break times for your routes. Because the Hull Road Park-N-Ride lot is closed during semester breaks, school holidays and the summer semester, you may want to leave your car at home and ride the bus during holidays and breaks.
