6       A "vending booth" is a temporary wheeled cart-mounted food or retail establishment located on  
7 public property, or a permanent structure constructed by the city on the Gainesville Community  
8 Plaza. A vending booth cannot be propelled by an internal combustion engine, electric motor or

11 place, but may be stationary during the business day. Examples of vending booths are, but are  
12 not limited to, the following: coffee/cappuccino stands; stands selling muffins, bagels and other  
13 bakery items; ice cream carts; snow cone and Italian Ice carts; fast-food carts; souvenirs carts;

1 business that sells immediately consumable food products and non-alcoholic beverage items  
2 from a non-permanent structure cart, trailer, or vehicle (an "itinerant food vending conveyance")  
3 at a fixed location on private property.

4 **Sec. 19-92. Annual permit.**

5 ~~(a) — A vending booth permit or itinerant food vendor permit is required and can be renewed~~  
6 ~~annually upon payment of the fee specified in Appendix A of this Code. Vending booth and~~  
7 ~~itinerant food vendor permits expire on October 1 and are delinquent if not renewed. Vending~~  
8 ~~booth and itinerant food vendor permits initially received between April 1 and September 30 are~~  
9 ~~subject to one half the permit fees for the initial period ending September 30. In order to obtain a~~  
10 ~~vending booth permit, written approval of the proposed vending booth is required from the fire~~  
11 ~~department and code enforcement office, who will approve the application if it meets the~~
