..Title

National Fuel Savings and Security Act of 2002

..Recommendation

The City Commission discuss and take action as appropriate.

March 4, 2002

The Honorable Bill Nelson  
United States Senate  
818 Hart Senate Office Building  
Washington, D.C. 20510

Dear Senator Nelson:

On behalf of the City of Gainesville, I am writing today to express our strong support for S.1926, the National Fuel Savings and Security Act of 2002, now being reviewed by the Senate Commerce Committee. This bill is intended to improve automobile fuel economy and safety, reduce greenhouse gas emissions, and reduce dependence on foreign oil, along with other purposes.

If passed, this bill would increase the average fuel economy standards for passenger automobiles and light trucks. It would improve the accuracy of testing procedures determining fuel economy, and increase the overall safety of passenger automobiles and light trucks. These improvements to our national policies will provide future benefits to all citizens.

I urge you to actively support S.1926 in the Senate Commerce Committee, and encourage its progression toward the Senate floor and its enactment. Thank you for your consideration.

Sincerely,

Thomas D. Bussing  
Mayor

cc: Members of the City Commission  
Marilyn Berry Thompson, Jordan Burt
