I have served for two years as a voting non-student member on the Student Community Relations Advisory Board. During that time, we have discussed many important issues of community concern regarding municipal code and public safety issues. Additionally, we have both provided and received valuable input from the Gainesville Police Department, Code Enforcement, and the City Planners Office regarding current projects and enforcement issues that impact on both students and the community. I am also able to disseminate the information on a larger scale in my capacity as an attorney at the University of Florida Student Legal Services.
