Your claim#: GC2008629170  
Date of loss: April 28, 2008

Dear Mr. Luster:

This claim is in compliance with the notice provisions of §768.28, Florida Statutes. This claim is based upon a personal injury incident which occurred on April 28, 2008 involving faulty utility wiring.

Specifically, on April 28, 2008, my client's minor son arrived at his after school care facility, which is his daily drop-off location. As he approached the facility, a live electrical wire fell from a utility pole onto our client, causing severe burns to his arm and feet. The incident occurred at 104 SE 24<sup>th</sup> Street, which is within the Gainesville city limits.

No prior adjudicated unpaid claim in excess of \$200.00 exists. If I may provide you with any additional information, please do not hesitate to contact me. I wish to promptly resolve this matter.

Sincerely,
