Subject: Resignation from Gainesville Energy Advisory Committee (GEAC)

#041077

03/14/05

Madame Mayor and Commissioners:

At the February GEAC meeting it was brought to my attention that city ordinances prohibit a candidate for public office from serving on GEAC. This ordinance seems to apply specifically to GEAC, and not to many other boards or committees, nevertheless I hereby submit my resignation GEAC. It is my understanding that my term actually ends when a replacement is appointed. In the interim I will refrain from voting on any motions. It has been an honor and a pleasure to serve the citizens of Gainesville, and I want to thank the Mayor and Commissioners for my appointment.

Sincerely,

Rob Brinkma
